Date: July 5, 2016  
Re: Annual Review of Sexual Abuse/Sexual Harassment Incidents

In order to comply with PREA 115.388(a), (b), (c), and (d), and to assure that Minnie Rogers Juvenile Justice Center continue to strive to lessen the possibility of sexual abuse/sexual harassment, I have reviewed all ANE incidents reported for calendar year 2015. Please be advised that there were NO incidents of sexual abuse/sexual harassment in the Minnie Rogers Juvenile Justice facility for that time period. Additionally, please be advised that it is the goal of the facility to assure that incidents such as these are prevented due to ongoing staff training and diligent supervision of the juvenile detainees.

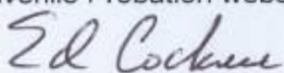

During the calendar year 2015, our placement contract facilities had the following results: 14 facilities were contacted to obtain sexual abuse/sexual harassment incident data, 10 facilities responded. Of the 10 facilities all but one are PREA compliant or preparing for a PREA audit. There were 3 alleged youth on youth sexual abuse incidents reported and 1 substantiated, 12 alleged youth on youth sexual contacts and 5 substantiated and 8 alleged youth on youth sexual harassment incidents and 4 substantiated. There were no retaliation incidents. There were 5 alleged staff sexual misconduct and 1 substantiated and 8 alleged staff sexual harassment and 3 substantiated.

Finally, please be advised that per PREA 115.388, upon your review and approval of these findings, they shall be posted on the Jefferson County Juvenile Probation website.

Respectfully submitted,
