TEXAS MUNICIPAL LEASE-PURCHASE AGREEMENT

THIS TEXAS MUNICIPAL LEASE-PURCHASE AGREEMENT **No.6878** (hereafter referred to as "Agreement") dated as of **January 22, 2015**, by and between **Government Capital Corporation**, a Texas corporation (herein referred to as "Lessor"), and **Jefferson County**, a political subdivision or agency of the State of Texas (hereinafter referred to as "Lessee").

WITNESSETH: In consideration of the mutual covenants and conditions hereinafter set forth, the parties hereto agree as follows:

1. Term and Payments. Lessor hereby leases to Lessee and Lessee hereby leases from Lessor the property described in Exhibit A hereto (hereinafter, with all replacement parts, substitutions, proceeds, increases, additions, accessions, repairs and accessories incorporated therein or affixed thereto, referred to as the "Property") for the amounts to be paid in the sums (the "Lease Payments") and on the dates (the "Lease Payment Dates") set forth in Exhibit B hereto. Except as specifically provided in Section 2 hereof, the obligation of the Lessee to make the Lease Payments called for in Exhibit B hereto shall be absolute and unconditional in all events and shall not be subject to any set-off, defense, counterclaim or recoupment for any reason. The term of the lease hereunder shall commence upon the dated date of the lease and shall continue until the end of the Lessee's current fiscal period and thereafter for such additional fiscal periods as are necessary to complete the anticipated total lease term as set forth in Exhibit B, unless earlier terminated as provided herein. The interest is calculated on the basis of a 30/360-day year on the unpaid principal amounts from the Schedule Date of the EXHIBIT B.

2. Non-Appropriation and Right of Termination. The obligations of Lessee to make Lease Payments (called for in Exhibit B) and to make any other payments to Lessor (or to any other person) pursuant to this Agreement are subject to appropriation by the Lessee of funds that are lawfully available to be applied for such purpose. If Lessee fails to make such an appropriation prior to a fiscal period of Lessee for the Lease Payments scheduled in such a fiscal period, this Agreement shall terminate at the end of the last fiscal period immediately preceding the fiscal period for which funds have not been appropriated. The Lessee shall deliver notice to Lessor of such termination at least forty-five (45) days prior to such termination, but failure to give such notice shall not prevent the termination of this Agreement. Upon any such termination of this Agreement, all of Lessee's right, title and interest in and its obligations under this Agreement and to the Property shall terminate effective on the last day of the last fiscal period of Lessee for which such an appropriation was made.

3. Taxes. In addition to the Lease Payments to be made pursuant to Section 1 hereof, Lessee agrees to indemnify and hold Lessor harmless from and against and to pay Lessor, as additional rent, on demand, an amount equal to all licenses, assessments, sales, use, real or personal property, gross receipts or other taxes, levies, imposts, duties or charges, if any, together with any penalties, fines, or interest thereon imposed against or on Lessor, Lessee or the Property by any governmental authority upon or with respect to the Property or the purchase, ownership, rental, possession, operation, return or sale of, or receipt of payments for, the Property, except any Federal or State income taxes, if any, payable by Lessor. Lessee may contest any such taxes prior to payment provided such contest does not involve any risk of sale, forfeiture or loss of the Property or any interest therein.

4. Lessee's Covenants and Representations. Lessee covenants and represents as follows:

(a) Lessee represents, and will provide an opinion of its counsel to the effect that, it has full power and authority to enter into this Agreement which has been duly authorized, executed, and delivered by Lessee and is a valid and binding obligation of Lessee enforceable in accordance with its terms, and all requirements for execution, delivery and performance of this Agreement have been, or will be, complied with in a timely manner;

(b) Lessee has budgeted and appropriated for the current fiscal period sufficient funds to make the Lease Payments scheduled to come due in the current fiscal period and all other Payments expected to come due in the current fiscal period; Lessee currently expects to budget and appropriate sufficient funds to pay the Lease Payments coming due hereunder in each future fiscal period, but the decision whether to budget and appropriate funds for any future fiscal period is solely within the discretion of the then-current governing body of Lessee;

(c) There are no pending or threatened lawsuits or administrative or other proceedings contesting the authority for, authorization of, performance of, or expenditure of funds pursuant to this Agreement;

(d) Information supplied and statements made by Lessee in any financial statement or current budget prior to or contemporaneously with the Agreement are true and correct;

(e) Lessee has an immediate need for, and expects to make immediate use of, substantially all the Property, which need is not temporary or expected to diminish in the foreseeable future.

(f) No lease, rental agreement, lease-purchase agreement, payment agreement or contract for purchase to which Lessee has been a party at any time during the past ten (10) years has been terminated by Lessee as a result of insufficient funds being appropriated in any Fiscal Year. No event has occurred which would constitute an event of default under any debt, revenue bond or obligation which Lessee has issued during the past ten (10) years.

(g) Lessee will pay the Lease Payment Due by check, wire transfer, or ACH only.

5. Use and Licenses. Lessee shall pay and discharge all operating expenses and shall cause the Property to be operated by competent persons only. Lessee shall use the Property only for its proper purposes and will not install, use, operate or maintain the Property improperly, carelessly, or in violation of any applicable law, ordinance, rule or regulation of any governmental authority, or in a manner contrary to the nature of the Property or the use contemplated by its manufacturer. Lessee shall keep the property at the location stated on the Certificate of Acceptance executed by Lessee upon delivery of the Property until Lessor, in writing, permits its removal, and the Property shall be used solely in the conduct of the Lessee's operations. Lessee shall obtain, at its expense, all registrations, permits and licenses, if any, required by law for the installation and operation of the Property. Any license plates used on the Property shall be issued in the name of the Lessee. If a certificate of title is issuable with respect to the Property, it shall be delivered to the Lessor showing the interest of the Lessor.

CORPORATION

6. Maintenance. Lessor shall not be obligated to make any repairs or replacements. At its own expense, Lessee shall service, repair and maintain the Property in as good condition, repair, appearance and working order as when delivered to Lessee hereunder, ordinary wear and tear from proper use alone excepted, and shall replace any and all parts thereof which may from time to time become worn out, lost, stolen, destroyed, or damaged beyond repair or rendered unfit for intended use, for any reason whatsoever, all of which replacements shall be free and clear of all liens, encumbrances and claims of others and shall become part of the Property and subject to this Agreement. Lessor may, at its option, discharge such costs, expenses and insurance premiums necessary for the repair, maintenance and preservation of the Property, and all sums so expended shall be due from Lessee in addition to rental payments hereunder.

7. Alterations.

(a) Lessee may, at its own expense, install or place in or on, or attach or affix to, the Property such equipment or accessories as may be necessary or convenient to use the Property for its intended purposes provided that such equipment or accessories do not impair the value or utility of the Property. All such equipment and accessories shall be removed by Lessee upon termination of this Agreement, provided that any resulting damage shall be repaired at Lessee's expense. Any such equipment or accessories not removed shall become the property of Lessor.

(b) Without the written consent of Lessor, Lessee shall not make any other alterations, modifications or improvements to the Property except as required or permitted hereunder. Any other alterations, modifications or improvements to the Property shall immediately become part of the Property, subject to the provisions hereof. Without the prior written consent of Lessor, Lessee shall not affix or attach any of the Property to any real property. The Property shall remain personal property regardless of whether it becomes affixed or attached to real property or permanently rests upon any real property or any improvement thereon.

8. Liens. Lessee shall not directly or indirectly create, incur, assume or suffer to exist any mortgage, security interest, pledge, lien, charge, encumbrance or claim on or with respect to the Property, title thereto or any interest therein, except the respective rights of Lessor and Lessee hereunder.

9. Damage to or Destruction of Property. Lessee shall bear the entire risk of loss, damage, theft or destruction of the Property from any and every cause whatsoever, and no loss, damage, destruction or other event shall release Lessee from the obligation to pay the full amount of the rental payments or from any other obligation under this Agreement. In the event of damage to any item of the Property, Lessee will immediately place the same in good repair, with the proceeds of any insurance recovery applied to the cost of such repair. If Lessor determines that any item of Property is lost, stolen, destroyed or damaged beyond repair, Lessee, at the option of Lessee, will either (a) replace the same with like property in good repair or (b) on the next Lease Payment Date, pay Lessor (i) all amounts then owed by Lessee to Lessor under this Agreement, including the Lease Payment due on such date, and (ii) an amount equal to the applicable Option to Purchase Value set forth in Exhibit B.

10. Insurance. Lessee shall either be self-insured with regard to the Property or shall purchase and maintain insurance with regard to the Property. Lessee shall indicate on each Certificate of Acceptance executed in relation to this Agreement its election to be self-insured or company insured with regard to the Property listed on that Certificate of Acceptance. Whether Lessee is self-insured or company insured, Lessee shall, for the term of this Agreement, at its own expense, provide comprehensive liability insurance with respect to the Property, insuring against such risks, and such amounts as are customary for lessees of property of a character similar to the Property. In addition, Lessee shall, for the term of this Agreement, at its own expense, provide casualty insurance with respect to the Property, insuring against customary risks, coverage at all times not less than the amount of the unpaid principal portion of the Lease Payments required to be made pursuant to Section 1 of the last preceding Payment Date specified in Exhibit B on which a Lease Payment was made. If insurance policies are provided with respect to the Property, all insurance policies shall be with insurers authorized to do business in the State where the Property is located and shall name both Lessor and Lessee as insured as their respective interest may appear. Insurance proceeds from casualty losses shall be payable solely to the Lessor, subject to the provisions of Section 9. Lessee shall, upon request, deliver to Lessor evidence of the required coverage together with premium receipts, and each insurer shall agree to give Lessor written notice of non-payment of any premium due and ten (10) days notice prior to cancellation or alteration of any such policy. Lessee shall also carry and require any other person or entity working on, in or about the Property to carry workmen's compensation insurance covering employees on, in or about the Property. In the event Lessee fails, for any reason, to comply with the requirements of this Section, Lessee shall indemnify, save harmless and, at Lessee's sole expense, defend Lessor and its agents, employees, officers and directors and the Property against all risk of loss not covered by insurance.

11. Indemnification. Lessee shall indemnify, to the extent permitted by law, and save harmless, Lessor and its agents, employees, officers and directors from and, at Lessee's expense, defend Lessor and its agents, employees, officers and directors against all liability, obligations, losses, damages, penalties, claims, actions, costs and expenses (including but not limited to reasonable attorneys' fees) of whatsoever kind or nature which in any way relate to or arise out of this Agreement or the ownership, rental, possession, operation, condition, sale or return of the Property. All amounts which become due from Lessee under this Section 11 shall be credited with any amounts received by the Lessor from insurance provided by the Lessee and shall be payable by Lessee within thirty (30) days following demand therefor by Lessor and shall survive the termination or expiration of this Agreement.

12. No Warranty. EXCEPT FOR REPRESENTATIONS, WARRANTIES, AND SERVICE AGREEMENTS RELATING TO THE PROPERTY MADE OR ENTERED INTO BY THE MANUFACTURERS OR SUPPLIERS OF THE PROPERTY, ALL OF WHICH ARE HEREBY ASSIGNED TO LESSEE, LESSOR HAS MADE AND MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AND ASSUMES NO OBLIGATION WITH RESPECT TO THE TITLE, MERCHANTABILITY, CONDITION, QUALITY OR FITNESS OF THE PROPERTY DESCRIBED IN EXHIBIT A FOR ANY PARTICULAR PURPOSE OR THE CONFORMITY OF THE PROPERTY TO SPECIFICATION OR PURCHASE ORDER, ITS DESIGN, DELIVERY, INSTALLATION OR OPERATION. All such risks shall be borne by Lessee without in any way excusing Lessee from its obligations under this Agreement, and Lessor shall not be liable to Lessee for any damages on account of such risks. All claims or actions on any warranty so assigned shall be made or prosecuted by Lessee, at its sole expense, upon prior written notice to Lessor. Lessor may, but shall have no obligation whatsoever to, participate in such claim or action on such warranty, at Lessor's expense. Any recovery under such a warranty shall be made jointly to Lessee and Lessor.

13. Option to Purchase. Provided Lessee has complied with the terms and conditions of this Agreement, Lessee shall have the option to purchase not less than all of the Property which is then subject to this Agreement, "as is" at the payment date, for the Option to Purchase Values set forth in Exhibit B by giving written notice to Lessor not less than sixty (60) days prior to the date specified in Exhibit B for the exercise of such option; provided that upon Lessee's timely payment of all Lease Payments specified in Exhibit B, Lessee shall be deemed to have properly exercised its option to purchase the Property and shall be deemed to have acquired all of Lessor's right, title and interest in and to the Property, free of any lien, encumbrance or security interest except such liens, encumbrances or security interest as may be created, or permitted and not discharged, by Lessee but without other warranties. Payment of the applicable Option to Purchase Value shall occur on the applicable Lease Payment Date specified in Exhibit B hereto, at which time Lessor shall, unless not required hereunder, deliver to Lessee a quitclaim bill of sale transferring Lessor's interest in the Property to Lessee free from any lien, encumbrance or security interest except such as may be created, or permitted and not discharged, by Lessee but without other warranties. Upon Lessee's actual or constructive payment of the Option to Purchase Value and Lessor's actual or constructive delivery of a quitclaim bill of sale covering the Property, this Agreement shall terminate except as to obligations or liabilities accruing hereunder prior to such termination.

14. Default and Lessor's Remedies.

(a) The occurrence of one or more of the following events shall constitute an Event of Default, whether occurring voluntarily or involuntarily, by operation of law or pursuant to any order of any court or governmental agency:

(1) Lessee fails to make any payment hereunder when due or within ten (10) days thereafter;

(2) Lessee fails to comply with any other covenant, condition or agreement of Lessee hereunder for a period of the ten (10) days after notice thereof;

(3) Any representation or warranty made by Lessee hereunder shall be untrue in any material respect as of the date made;

(4) Lessee makes, permits or suffers any unauthorized assignment, transfer or other disposition of this Agreement or any interest herein, or any part of the Property or any interest therein; or

(5) Lessee becomes insolvent; or admits in writing its inability to pay its debts as they mature; or applies for, consents to or acquiesces in the appointment of a trustee, receiver or custodian for the Lessee or a substantial part of its property; or, in the absence of such application, consent or acquiescence, a trustee, receiver or custodian is appointed for Lessee or a substantial part of its property and is not discharged within sixty (60) days; or any bankruptcy, reorganization, debt arrangement, moratorium, or any proceeding under any bankruptcy or insolvency law, or any dissolution or liquidation proceeding is instituted by or against Lessee and, if instituted against Lessee, is consented to or acquiesced in by Lessee or is not dismissed within sixty (60) days.

(b) Upon the occurrence of any Event of Default specified herein, Lessor may, at its sole discretion, exercise any or all of the following remedies:

(1) Enforce this Agreement by appropriate action to collect amounts due or to become due hereunder, by acceleration or otherwise, or to cause Lessee to perform its other obligations hereunder in which event Lessee shall be liable for all costs and expenses incurred by Lessor;

(2) Take possession of the Property, without demand or notice and without court order or any process of law, and remove and relet the same for Lessee's account, in which event Lessee waives any and all damages resulting therefrom and shall be liable for all costs and expenses incurred by Lessor in connection therewith and the difference, if any, between the amounts to be paid pursuant to Section 1 hereof and the amounts received and to be received by Lessor in connection with any such reletting;

(3) Terminate this Agreement and repossess the Property, in which event Lessee shall be liable for any amounts payable hereunder through the date of such termination and all costs and expenses incurred by Lessor in connection therewith;

(4) Sell the Property or any portion thereof for Lessor's account at public or private sale, for cash or credit, without demand or notice to Lessee of Lessor's intention to do so, or relet the Property for a term and a rental which may be equal to, greater than or less than the rental and term provided herein. If the proceeds from any such sale or rental payments received under a new agreement made for the periods prior to the expiration of this Agreement are less than the sum of (i) the costs of such repossession, sale, relocation, storage, reconditioning, reletting and reinstallation (including but not limited to reasonable attorneys' fees), (ii) the unpaid principal balance derived from Exhibit B as of the last preceding Lease Payment Date specified in Exhibit B, and (iii) any past due amounts hereunder (plus interest on such unpaid principal balance at the rate specified in Section 20 hereof, prorated to the date of such sale), all of which shall be paid to Lessor, Lessor shall retain all such proceeds and Lessee shall remain liable for any deficiency; or

(5) Pursue and exercise any other remedy available at law or in equity, in which event Lessee shall be liable for any and all costs and expenses incurred by Lessor in connection therewith. "Costs and expenses", as that term is used in this Section 14, shall mean, to the extent allowed by law: (i) reasonable attorneys' fees if this Agreement is referred for collection to an attorney not a salaried employee of Lessor or the holder of this Agreement; (ii) court costs and disbursements including such costs in the event of any action necessary to secure possession of the Property; and (iii) actual and reasonable out-of-pocket expenses incurred in connection with any repossession or foreclosure, including costs of storing, reconditioning and reselling the Property, subject to the standards of good faith and commercial reasonableness set by the applicable Uniform Commercial Code. Lessee waives all rights under all exemption laws.

(6) Under no circumstances shall Lessee be liable under this subsection 14 (b) for any amount in excess of the sum appropriated pursuant to Section 1 hereof for the previous and current fiscal years, less all amounts previously due and paid during such previous and current fiscal years from amounts so appropriated.

15. Termination. Unless Lessee has properly exercised its option to purchase pursuant to Section 13 hereof, lessee shall, upon the expiration of the term of this Agreement or any earlier termination hereof pursuant to the terms of this Agreement, deliver the Property to Lessor unencumbered and in at least as good condition and repair as when delivered to Lessee, ordinary wear and tear resulting from proper use alone excepted, by loading the Property, at Lessee's sole expense, on such carrier, or delivering the Property to such location, as Lessor shall provide or designate at or within a reasonable distance from the general location of the Property. If Lessee fails to deliver the Property to Lessor, as provided in this Section 15, on or before the date of termination of this Agreement, Lessee shall pay to Lessor upon demand, for the hold-over period, a portion of the total payment for the applicable period as set forth in Exhibit B prorated from the date of termination of this Agreement to the date Lessee either redelivers the Property to Lessor or Lessor repossesses the Property.

16. Assignment. Without Lessor's prior written consent, which shall not be unreasonably withheld, Lessee will not either **(i)** assign, transfer, pledge, hypothecate, grant any security interest in or otherwise dispose of this Agreement or the Property or any interest in this Agreement or the Property; or **(ii)** sublet or lend the Property or permit it to be used by anyone other than Lessee, Lessee's employees, or. Lessor may assign its rights, title and interest in and to this Agreement, the Property and any other documents executed with respect to this Agreement and/or grant or assign a security interest in this Agreement and the Property, in whole or in part. Any such assignees shall have all of the rights of Lessor under this Agreement. Subject to the foregoing, this Agreement inures to the benefit of and is binding upon the heirs, executors, administrators, successors and assigns of the parties hereto. No assignment or reassignment of any of Lessor's rights, title or interest in this Agreement or the Property shall be effective with regard to Lessee unless and until Lessee shall have received a copy of the document by which the assignment or reassignment is made, disclosing the name and address of such assignee. No further action will be required by Lessor or by Lessee to evidence the assignment. During the term of this Agreement, Lessee shall keep a complete and accurate record of all such assignments in form necessary to comply with the United States Internal Revenue Code of 1986, Section 149 (a), and the regulations, proposed or existing, from time to time promulgated thereunder.

17. Personal Property. The Property is and shall at all times be and remain personal property.

18. Title. Upon acceptance of the Property by Lessee hereunder, Lessee shall have title to the Property during the term of this Agreement; however, in the event of **(i)** an Event of Default hereunder and for so long as such Event of Default is continuing, or **(ii)** termination of this Agreement pursuant to the provisions of Section 2 hereof, title shall be reverted immediately in and shall revert to Lessor free of any right, title or interest of Lessee unless Lessor elects otherwise.

19. Lessor's Right to Perform for Lessee. If Lessee fails to make any payment or perform or comply with any of its covenants or obligations hereunder, Lessor may, but shall not be required to, make such payment or perform or comply with such covenants and obligations on behalf of Lessee, and the amount of any such payment and the expenses (including but not limited to reasonable attorneys' fees) incurred by Lessor in performing or complying with such covenants and obligations, as the case may be, together with interest thereon at the highest lawful rate, shall be payable by Lessee upon demand.

20. Interest on Default. If Lessee fails to pay any Lease Payment specified in Section 1 hereof within ten (10) days after the due date thereof, Lessee shall pay to Lessor interest on such delinquent payment from the due date until paid at the highest lawful rate.

21. Notices. Any notices to be given or to be served upon any party hereto in connection with this Agreement must be in writing and may be given by certified or registered mail, and shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail, and if given otherwise shall be deemed to have been given when delivered to and received by the party to whom it is addressed. Such notice shall be given to the parties at their respective addresses designated on the signature page of this Agreement or at such other address as either party may hereafter designate.

22. Security Interest. As security for Lessee's covenants and obligations hereunder, Lessee hereby grants to Lessor, and its successors, a security interest in the Property, all accessions thereto and proceeds therefrom, and, in addition to Lessor's rights hereunder, all of the rights and benefits of a secured party under the Uniform Commercial Code as in effect from time to time hereafter in the State in which the Property is located or any other State which may have jurisdiction over the Property. Lessee agrees to execute, acknowledge and deliver to Lessor in recordable form upon request financing statements or any other instruments with respect to the Property or this Agreement considered necessary or desirable by Lessor to perfect and continue the security interest granted herein in accordance with the laws of the applicable jurisdiction. Lessee hereby authorizes Lessor or its agent or assigns to sign and execute on its behalf any and all necessary UCC-1 forms to perfect the Purchase Money Security interests herein above granted to Lessor.

23. Tax Exemption. Lessee certifies that it does reasonably anticipate that not more than \$10,000,000 of "qualified tax-exempt obligations", as that term is defined in Section 265 (b) 3 (D) of the Internal Revenue Code of 1986 ("the Code"), will be issued by it and any subordinate entities during 2015. Further, Lessee designates this issue as comprising a portion of the \$10 million in aggregate issues to be designated as "qualified tax exempt obligations" eligible for the exception contained in Section 265 (b) 3 (D) of the Code allowing for an exception to the general rule of the Code which provides for a total disallowance of a deduction for interest expense allocable to the carrying of tax exempt obligations.

24. Continuing Disclosure. Specifically and without limitation, Lessee agrees to provide audited financial statements, prepared by a certified public accountant not later than six (6) months after and as of the end of each fiscal year. Periodic financial statements shall include a combined balance sheet as of the end of each such period, and a combined statement of revenues, expenditures and changes in fund balances, from the beginning of the then fiscal year to the end of such period. These reports must be certified as correct by one of Lessee's authorized agents. If Lessee has subsidiaries, the financial statements required will be provided on a consolidated and consolidation basis.

25. Miscellaneous.

(a) Lessee shall, whenever requested, advise Lessor of the exact location and condition of the Property and shall give the Lessor immediate notice of any attachment or other judicial process affecting the Property, and indemnify and save Lessor harmless from any loss or damage caused thereby. Lessor may, for the purpose of inspection, at all reasonable times enter upon any job, building or place where the Property and the books and records of the Lessee with respect thereto are located.

(b) Lessee will take no action that would cause the interest portion of the Lease Payments to become coverage in gross income of the recipient for federal income tax purposes under the Internal Revenue Code of 1986 (the "Code") and Treasury Regulations promulgated thereunder (the "Regulations"), and Lessee will take and will cause its officers, employees and agents to take all affirmative actions legally within its power necessary to ensure that the interest portion of the Lease Payments does not become coverage in gross income of the recipient for federal income tax purposes under the Code and Regulations.

(c) Lessee agrees to equitably adjust the payments payable under this Agreement if there is a determination for any reason that the interest payable pursuant to this Agreement (as incorporated within the schedule of payments) is not excludable from income in accordance with the Internal Revenue Code of 1986, as amended, such as to make Lessor and its assigns whole.

(d) Time is of the essence. No covenant or obligations hereunder to be performed by Lessee may be waived except by the written consent of Lessor, and a waiver of any such covenant or obligation or a forbearance to invoke any remedy on any occasion shall not constitute or be treated as a waiver of such covenant or obligation as to any other occasion and shall not preclude Lessor from invoking such remedy at any later time prior to Lessee's cure of the condition giving rise to such remedy. Lessor's rights hereunder are cumulative and not alternative.

(e) This Agreement shall be construed in accordance with, and governed by, the laws of the State in which the Property is located.

(f) This Agreement constitutes the entire agreement between the parties and shall not be modified, waived, discharged, terminated, amended, altered or changed in any respect except by a written document signed by both Lessor and Lessee.

(g) Any term or provision of this Agreement found to be prohibited by law or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without, to the extent reasonably possible, invalidating the remainder of this Agreement.

(h) The Lessor hereunder shall have the right at any time or times, by notice to Lessee, to designate or appoint any person or entity to act as agent or trustee for Lessor for any purposes hereunder.

AMENDED OPERATIONS AND MANAGEMENT AGREEMENT
for the
Jefferson County Morgue

This Amended Operations and Management Agreement for the Jefferson County Morgue (the "Agreement") is made as of the 1st day of January, 2015 (the "Effective Date"), by and between **FMMS HOLDINGS OF TEXAS, LLC**, a Tennessee Limited Liability Corporation (Contractor") and **JEFFERSON COUNTY, TEXAS** ("County"), a political subdivision of the State of Texas, upon the terms, conditions and provisions herein set forth.

WITNESSETH

WHEREAS, County owns a morgue facility located at 5030 Highway 69 South, Beaumont, Texas 77705 (the "Morgue"); and,

WHEREAS, County desires and has the authority to enter into a contract with Contractor to operate and manage the Morgue in compliance with all applicable federal, state and local laws and ordinances; and

WHEREAS, the original agreement was executed by the parties when Contractor operated under the name of Forensic Medical Management Services of Texas, P.A. but has since changed its entity name to FMMS HOLDINGS OF TEXAS, LLC and both the County and Contractor desire that this agreement correctly state the proper name of Contractor.

NOW THEREFORE, in consideration of the mutual rights, duties, benefits and obligations herein exchanged, the parties hereto covenant, agree and bind themselves as follows:

ARTICLE 1.
Purposes

1.1 Contractor shall provide all materials, supplies and personnel necessary for the operation, maintenance and management of the Morgue for County. Without limiting the generality of the foregoing, Contractor shall receive, supervise and perform autopsies and related forensic services for each deceased person that is delivered to the Morgue and for which an autopsy is requested by County or its authorized agent (each a "Jefferson County Case"). Contractor shall provide, at its sole expense, all supplies necessary for the operation of the Morgue; *provided, however*, Contractor may use any existing inventory and supplies currently located at the Morgue without payment of any compensation to County. For each autopsy performed by Contractor for or on behalf of County, Contractor will provide testimony in Jefferson County cases at no additional charge.

1.2 Contractor shall manage and supervise the Morgue in compliance with all local, State and Federal laws, rules, regulations and orders and shall document such compliance at the beginning of each fiscal year.

1.3 Contractor will be permitted to operate under the business name "Jefferson County Morgue".

**ARTICLE 2.
Term**

2.1 This Agreement is effective on and shall commence on the Effective Date forth in the initial paragraph of this Agreement, The original term of this Agreement shall be five (5) years from the Effective Date (the "Term"). Upon expiration of the original Term, Contractor shall have an option to renew this Agreement for an additional term of five (5) years (the "Renewal Term"), which option must be exercised by Contractor by giving County written notice of its intent to exercise the option at least 180 days prior to expiration of the original Term,

2.2 County may unilaterally terminate this Agreement at any time only for reason of Contractor's default under this Agreement and Contractor's failure to cure such default within sixty (60) calendar days after County provides Contractor with written notice of default. If Contractor fails to cure such default within such 60-day period, then County may terminate this Agreement and County may pursue a claim against Contractor and recover all damages incurred as a result of Contractor's default.

2.3 Contractor may unilaterally terminate this Agreement at any time only for reason of County's default under this Agreement and County's failure to cure such default within sixty (60) calendar days after Contractor provides County with written notice of default. If County fails to cure such default within such 60-day period, then Contractor may terminate this Agreement and Contractor may pursue a claim against County and recover damages incurred as a result of County's default.

**ARTICLE 3.
Compensation**

3.1 In consideration for the services to be provided by Contractor to County pursuant to this Agreement, County agrees to pay Contractor the following compensation:

- a. The exclusive right to use the Morgue facility for the purpose of performing usual and customary autopsy services for County, other governmental entities and private persons with whom Contractor may from time to time agree.
- b. A professional fee for each autopsy performed by Contractor for or on behalf of County (the "Professional Fee"). The Professional Fee shall be paid monthly by County on or before the twentieth (20th) day of each month based on the number of autopsies performed by Contractor in the preceding month. The amount of the Professional Fee shall be equal to ZERO DOLLARS (\$0.00) for each autopsy performed by Contractor for or on behalf of County until Contractor has performed a total of four (4) autopsies each calendar month during the term of this Agreement. Thereafter, the Professional Fee for the remainder of that month shall automatically increase to and shall be equal to the sum of \$1,500.00 for each

autopsy performed for County for calendar year 2012. For calendar year 2014 the fee was, by agreement, \$1,600.00; and for calendar year 2015, the fee will be \$1,650~~0~~.00. The parties will renegotiate the fee for any subsequent calendar years. ~~the~~

3.2 Contractor shall submit to County, no later than the seventh (7th) day of each month, a statement showing the total number of autopsies performed by Contractor for or on behalf of County for the prior month. Contractor shall furnish to County photocopies of any supporting documentation requested by County.

3.3 If Contractor exercises its right to renew this Agreement pursuant to Section 2.1, then Contractor and County shall negotiate in good faith an appropriate increase or decrease in the Professional Fees payable by County hereunder during the Renewal Term. If Contractor and County are not able to reach an agreement on the amount of the increase then Contractor may, at its option, elect to terminate the remainder of the Renewal Term upon giving County sixty (60) days written notice

3.4 In addition to performing autopsies and providing forensic services for and on behalf of the County, Contractor may perform autopsies and provide forensic services for any other governmental entity and/or third party (the "Ancillary Services"), on such terms and conditions and for such compensation as Contractor may determine in its discretion. All compensation, fees and revenues charged and received by Contractor for performing Ancillary Services shall belong solely to Contractor.

ARTICLE 4. Contractor's Duties

4.1 Contractor, with County's assistance, as requested, shall obtain and maintain all of the proper and required local, State and federal permits, licenses and certifications necessary for the Morgue. Contractor shall maintain such certifications as required by law.

4.2 Notwithstanding anything contained herein to the contrary, County shall have no liability for any employees, agents, subcontractors or assigns of Contractor. If Contractor engages the services of any subcontractor in the performance of Contractor's duties under this Agreement, Contractor shall not be relieved of any of its obligations set forth herein. Contractor shall bind each subcontractor to the terms of this Agreement as applicable to the subcontractor's work, and shall require that each subcontractor perform its work in conformance with the terms and conditions of this Agreement.

4.3 Contractor shall indemnify and hold County and its officials, officers, and employees, harmless from all cost, claims, expenses (including attorney's fees and court costs) and liabilities whatsoever that may be incurred as a result of or arise from any and all acts done or omitted to be done by Contractor or its employees, agents or subcontractors and assigns of Contractor, in connection with services performed or to be performed under this Agreement.

4.5 Contractor is associated with County for the purposes and to the extent set forth in this Agreement for the performance of operations and management services for the Morgue only. Contractor is and shall be an independent contractor and, subject to the terms of this Agreement, shall have the sole and exclusive right to supervise, manage, operate, control, and direct the performance of the details incident to its duties under this Agreement. Nothing contained in this Agreement shall be deemed or construed to create a partnership or joint venture, to create the relationship of an employer-employee or principal-agent, or otherwise to create any liability for County whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor. Contractor shall be solely liable for payment of all federal income, FICA, and other taxes owed or claimed to be owed by Contractor, arising out of this Agreement.

4.6 Contractor shall not alter, change or add to the Morgue without the prior written consent of County, which consent shall not be unreasonably withheld. In addition, any alterations, additions, improvements and fixtures made or placed by Contractor in or to the Morgue shall, upon the expiration or termination of this Agreement, belong to County without any compensation to Contractor. Any equipment and personal property of Contractor now or hereafter located, placed or installed in or at the Morgue may be removed by Contractor at any time during or at the expiration or termination of this Agreement. Any equipment or personal property which is paid for by County will remain at the Morgue at the termination of the contract.

5.4 Contractor shall, at Contractor's sole expense, at all times during the term of this Agreement maintain comprehensive general commercial public liability insurance with limits of not less than \$500,000 *per* occurrence and \$1,000,000 in the aggregate, insuring against claims

for bodily injury, death and property damage occurring upon, in or about the Morgue. Such policy of insurance shall include an endorsement naming County an additional named insured and shall provide that such policy shall not be canceled or materially changed without giving at least thirty (30) days' prior written notice to County.

5.5 County shall maintain and make all necessary repairs to the Morgue, including the building and all equipment that is attached as a fixture to the building, other than repairs arising as a result of Contractor's gross negligence or intentional acts. Without limiting the generality of the foregoing, County shall:

If Contractor does not discharge the lien or encumbrance within thirty (30) days after County has provided Contractor written notice of the existence of the lien or encumbrance, County may discharge the same and Contractor shall promptly reimburse County for any expense incurred by it in order to discharge or remove the mortgage, pledge, lien, mechanic or materialmen's lien, charge, encumbrance or claim.

ARTICLE 6.

Operating Procedures and Standards

Contractor shall prepare, adopt, and maintain a Procedures Manual for the operation of the Morgue so as to assure that the Morgue is operated fully in accordance with State and other applicable laws. Contractor shall, from time to time, make such modifications and corrections in

the Procedures manual as are necessary to keep the Morgue in compliance with such laws, regulations and standards.

ARTICLE 7.

Exclusivity

This Agreement shall be an exclusive contract with Contractor and so long as this Agreement remains in effect County shall obtain all autopsies, forensic and related services exclusively from Contractor.

ARTICLE 8.

Additional Provisions and Specific Performance

If insurance proceeds are available, County shall promptly proceed to obtain such funds and to use same to repair and reconstruct the Morgue in consultation with Contractor. MEMORANDUM

To: The Honorable Commissioners Court
From: Carolyn Guidry, County Clerk
Date: January 8, 2015
Subject: County Clerk Reallocation of Budgeted Funds

Consider and possibly approve a reallocation of budgeted funds in the County Clerk's budget as follows:

This would involve the elimination of one Administrative Deputy Clerk position and an addition of one Senior Deputy Clerk position. The eliminated position of Administrative Deputy Clerk is budgeted at an annual salary of \$49,161

The new Senior Deputy Clerk position would be added to the department at a budgeted annual salary of \$38, 980.

I would like to increase the budgeted amount for the two Administrative Deputy positions from \$49,159 annually to \$52,857 annually. These two positions are assuming additional responsibilities.

I would like to increase the budgeted amount for the two Voting Assistants positions from \$36,971 annually to \$37,871 annually.

This proposal would result in an estimated, annual net savings of \$989 to Jefferson County.

The above proposal will be on the agenda for Monday, January 12, 2015 for your consideration.

Please call me if you have any questions.

8. Access to participant website (www.4eap.com) which includes online access to supplemental EAP resource information, including: EAP request for services, frequently asked questions, legal resources, financial resources, work/life and wellness resources.

9. Critical Incident Stress Debriefing (CISD) to take place between 24 and 72 hours after a traumatic event. Wellness Seminars will also be made available with topics to be chosen by **JEFFERSON COUNTY**. Please see Section VII, Available In-Service Hours, for the number of

hours available to **JEFFERSON COUNTY** for Critical Incident Stress Debriefing and/or Wellness Seminars.

11. Services requested and provided beyond those outlined in Section I will be billed to **JEFFERSON COUNTY**. Please see attached In-Service Fee Schedule for pricing.

II. Procedures

An employee/family member will have initial contact with a clinically trained care coordinator at Interface. A case will be opened and they will be referred to a licensed counselor established in private practice with experience in the area of the presenting problem. The employee/family member may request another counselor, for any reason, after their first session without losing that session as one of the allotted sessions for that problem. The employee, a supervisor, or both may initiate contact. A family member may be referred to the program by his or her own call or by a referral of the employee.

When an employee or family member contacts the EAP, they will be directed to the most convenient office location in their area. A licensed counselor will be assigned to diagnose, assess, formulate an initial treatment plan, and if necessary refer for additional treatment. In all instances the need and/or problem will be addressed. The goal of the counseling process for an employee will be his or her effective return to full productivity.

III. Publicity of Services

JEFFERSON COUNTY will inform its employees of the services provided by Interface with at least a letter emphasizing the confidentiality of the EAP. The letter should inform employees that the program is confidential and that any employee seeking assistance will not jeopardize his or her position with the organization.

Interface will provide literature in the form of brochures describing the EAP, and all services included in Section I of this contract.

IV. Reporting

When the initial contact is the result of a supervisory referral in regards to job performance issues, an EAP care coordinator will inform the supervisor of the following: 1) whether the employee has contacted the Employee Assistance Program, 2) whether treatment goals have been established (without identification of those goals), and 3) whether there is progress (but not the nature of that progress) toward treatment goals. Interface provides an employee release form that authorizes pertinent information regarding the progress of treatment to be released to the supervisor. Interface encourages this release if a supervisor has referred the employee. Only with a signed release from the employee can Interface release any information regarding contact or other information to anyone except as required by law.

Employees who make their own contact (self-referrals) with the EAP will be encouraged to share information with supervisors if deemed appropriate by the counselor. No reports will be made to **JEFFERSON COUNTY** concerning self-referrals other than the agreed upon reports in Section I. Neither the purpose nor content of the contact by an employee or family member will be revealed to any representative of **JEFFERSON COUNTY**.

JEFFERSON COUNTY will provide a list of employees including their social security numbers to Interface for the purpose of verifying employment. An updated list will be provided monthly, or as there are material changes in employment.

All agreed upon analysis are dependent on the existence of data to be provided by **JEFFERSON COUNTY** in a relatively accessible form with all due regard for the confidentiality of employees.

Except as provided herein, or by law, the identity of the employee or family member, the nature of the contact, treatment progress and prognosis, will be confidential and reported to no one without the written consent of the employee or family member.

V. Consultation

A clinically trained care coordinator and/or crisis counselor will be available to employees and family members 24 hours a day via a national toll free number to assist with any calls of a crisis nature. Supervisors may also call upon the EAP to assist in problem identification, documenting impaired job performance, intervention with a problem employee, or other concerns.

Sessions with a licensed counselor will be on an as needed basis, and will be free of charge to the employee and/or family member as described herein. The number of sessions provided to participants will be 6 per person per family problem. Each person has their own coverage, but if more than one covered family member is seeking counseling for the same problem, available sessions are not increased for that problem. For example, if both spouses are seeking counseling for marital problems, 6 sessions would be available, not 12 because two family members are participating. However, if during the assessment, the counselor discovers that one of them has a separate problem, that spouse may seek counseling for that problem (and have up to 6 sessions) with another provider. The EAP will be used first to obtain an assessment of the problem. If the problem is short term, additional EAP sessions will be available for the person(s) seeking help. If the problem is long term, a referral to the appropriate program(s) could be made prior to exhausting the full 6 EAP sessions. If further treatment is needed that is not covered under insurance, Interface will work to make available that treatment at a reduced cost to the family.

Referrals for legal problems are provided through Legal Access. Each covered family has a maximum of 3 consultations with an attorney per plan year. The consultations with an attorney may be either in person or via telephone with the first 30 minutes at no charge. Additional services with the attorney are provided at a reduced rate. Employees will have 3 Financial Planning sessions per family, per year. All services are provided via telephone.

VI. Hold Harmless Clause

Interface EAP will indemnify and hold **JEFFERSON COUNTY** harmless from any and all claims, actions, liability and expenses including costs of judgments, settlements, court costs, and attorney fees, regardless of the outcome of such claim or action, caused by, resulting from or alleging negligent or intentional acts or omissions or any failure to perform any obligation undertaken or any covenant in this agreement, whether such act, omission or failure was that of Interface EAP or that of any person providing services there under through or for Interface EAP. Upon notice from **JEFFERSON COUNTY**, Interface EAP will resist and defend at Interface EAP's own expense, and by counsel reasonably satisfactory to **JEFFERSON COUNTY** any such claim or action.

In the event that **JEFFERSON COUNTY** cancels or reschedules a Wellness Seminar/CISD within 48 of a confirmed time with the clinician, the scheduled hours will be deducted from the group's available hours.

IX. Term of Contract

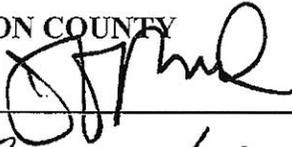

The effective date of this contract is January 1, 2015. This contract will automatically renew annually unless this Agreement is superseded by a subsequent Agreement or unless this contract is terminated by either Interface EAP or **JEFFERSON COUNTY**. Rates will be reviewed annually and, if necessary, proposed changes will be provided, in writing, to **JEFFERSON COUNTY** within 30 days of the new plan year.

X. Termination of Contract

JEFFERSON COUNTY or Interface EAP may terminate this contract with thirty days written notice. At the time of termination, Interface will direct any participant in treatment to verify benefits through the new vendor and to contact their human resources director. Interface will also notify the participant's provider of the termination of services, revoke any unused sessions and direct the provider to verify benefits through the new vendor. Interface will not assume any financial responsibility for services that take place after the date of termination.
