THE STATE OF TEXAS }
 COUNTY OF JEFFERSON }

OFFICE SPACE
LEASE AGREEMENT

THIS AGREEMENT entered into by and between Jefferson County, Texas, a subdivision of the State of Texas and **The Monk Law Firm**, doing business in the State of Texas, made and entered into this **2nd** day of **February, 2016**.

WHEREAS, Jefferson County, hereinafter called "Lessor", owns and operates the Jack Brooks Regional Airport located in Jefferson County, Texas and

WHEREAS, **The Monk Law Firm**, hereinafter called "Lessee", is qualified to do business in the State of Texas and desires to enter a Office Rental Agreement with the Lessor for the purpose of leasing office space with the understanding that the scope of business operations permitted by this agreement is limited to an office. Nothing in this agreement may be construed as conferring any rights to the exclusion of any other tenant of the Airport.

WHEREAS, Jefferson County represents that it has the right to grant the lease, together with all the facilities, rights, licenses, services, and privileges in the manner and to the extent hereinafter set forth:

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants hereinafter contained, the parties agree for themselves, their successors, legal representatives and assignees, as follows:

1. **Premises**. Lessor hereby leases to the Lessee exclusive space as depicted on the attached Exhibit "A", located at the airport, known as 4875 Parker Drive, Beaumont Tx 77705, and surrounding parking lot, driveway, and yard.

2. **Rate.** For and in consideration of the rent and covenants herein contained, Lessor agrees to lease space as follows: "**4875 Parker Drive**" containing **2,225** square feet, more or less, of office space at an annual rate of **\$12,000.00 (\$1,000.00/month)**.

As rent for the demised premises and the Lessee's rights and privileges hereunder, the Lessee agrees to pay the Lessor in accordance with the following schedule:

Years	Annual Rent
1 - 5	12,000
6 - 10	12,600
11 - 15	13,230
16-20	13,892
21-25	14,586

for the exclusive use of the space described above.

3. **Terms.** This agreement shall become effective **February 1, 2016**, and shall be for a five (5) year period with the option of extending for four (4) additional five (5) year periods; however, at the end of any lease period, Jefferson County reserves the right to reject the exercise of any option if necessary to take back any or all of the property for the County's use.
4. **Rentals.** Lessee covenants and agrees to pay to Lessor rental, when due, as described in section 2 above. Lessee agrees to abide by all rules and regulations of the Federal Aviation Administration, the State of Texas, the Jack Brooks Regional Airport, Jefferson County Commissioner's Court, and any other duly constituted public authority having jurisdiction over the airfield, hangar and office space, its use or occupancy.
5. **Due Date.** All rent shall be payable monthly, in advance, and shall be due on the first day of the month and shall be considered past due on the tenth day of each month. Rental installments not paid before the tenth of the month following its due date shall be assessed a **\$50.00** late fee. In consideration for paying the annual rent in advance prior to taking possession of lease space, the Lessor agrees to discount the annual rent by two (2) months of monthly rent, for a total annual rate of **\$10,000**.
6. **Taxes.** Lessee agrees to pay any taxes or special assessments that may be levied against the leased premises, or against the leasehold interest, or against the Airport because of this lease, by

any taxing unit or entity, whether levied against Lessor or Lessee, and Lessee further agrees to hold Lessor harmless from any claims or liens in connection with any such tax or special assessment.

7. **Prohibited Uses.** Without first obtaining Lessor's written consent, Lessee shall not use the demised premises for any other activity except as expressly provided in this agreement. Lessee shall not install and operate its own fueling facility for any purpose, sell fuel to the public, or operate a fueling operation as a fixed base operator in competition with the Lessor or any other fixed base operator approved by the Lessor. Lessee shall not allow its employees or any other person to use the demised premises as a permanent residence. Lessee shall not allow its employees or any other person to use the demised premises for the storage of vehicles or personal property not associated with its business activities.
8. **Utilities.** Lessee shall be responsible for any and all deposits, fees, and monthly charges from the utility providers, including but not limited to electricity, water, sewer, and telephone, for the use of all utilities associated with the use of the leased space.
9. **Lessor's Responsibilities.** Lessor shall, at its expense and risk, perform corrective-maintenance on the HVAC system; maintain the roof, foundation, exterior walls and weight-bearing interior walls, (excluding windows, doors, window glass, and plate glass.) Lessor shall further maintain, paint, and keep in reasonable repair the exterior area.
10. **Lessee's Responsibilities.** By execution of this lease agreement, Lessee acknowledges that it has inspected the leased premises, and accepts the same in an "as is" condition. Lessee shall, at its own expense and risk, maintain the exclusive space, including interior walls, floors, ceiling, doors, light fixtures and shall be responsible for painting and repairing the exclusive space, including preventative-maintenance and minor repairs to the HVAC system. Lessee shall further furnish, at its own expense and risk, any heat and air conditioning units, electrical wiring, and electrical fixtures necessitated by alterations to the exclusive space made by Lessee. Lessee shall be solely responsible for the risk of loss of all contents owned by Lessee or Lessee's Tenants.
11. **Janitorial Service.** Lessee shall provide its own janitorial service as needed.
12. **Alterations.** Lessee desires to make necessary improvements to the premises listed in attached Exhibit "B". Lessee also desires to install necessary signage along airport roads for way finding

purposes. Lessee shall make no additions or alterations to the buildings and improvements of the leased premises without the permission of the Airport Director of Lessor, which will not be unreasonably withheld.

13. **Condition and Surrender.** Lessee shall, throughout the lease term, maintain the exclusive space as stated in Section 1 and keep it free from waste and nuisance, and shall deliver up the premises in a clean and sanitary condition at the termination of this lease in good repair and condition; reasonable wear and tear and damage by fire, tornado or other casualty excepted. In the event Lessee should neglect to reasonably maintain the exclusive space, Lessor shall have the right, but not the obligation, to cause repairs or corrections to be made, and any reasonable costs therefore shall be payable by Lessee to Lessor as additional rental on the next rental installment date.
14. **Hold Harmless.** Lessee shall indemnify and hold harmless Lessor of and from any and all claims, whether in contract or in tort, statutory or at common law, and from each and every claim, loss or demand of whatever nature, made by or on behalf of any third person or persons arising out of Lessee's use and occupation of the premises or operations on airport property, whether due to sole negligence of Lessee or whether due to the joint or concurrent negligence of Lessor and Lessee.
15. **Relationship of Parties.** It is expressly understood and agreed that Lessor shall, under no circumstances, be considered a bailee of Lessee's property, real or personal, during the term of this agreement or upon expiration or cancellation hereof. Further, Lessor shall not be liable for any loss of or damage to any personal property, fixtures, or equipment of Lessee installed or stored on the airport premises except to the extent liability therefore can be proven pursuant to an exception to sovereign immunity under the Texas Tort Claims Act. Any item(s) of personal property annexed to the realty to the extent that such property becomes "fixture(s)" shall, at the expiration or cancellation of this lease, become the property of Lessor.
16. **Events of Default.** If Lessee shall allow the rent to be in arrears more than three (3) days after written notice of such delinquency, or shall remain in default under any other condition of this lease for a period of three (3) days after written notice from Lessor, or should any other person than Lessee secure possession of the premises or any part thereof, by reason of any receivership, bankruptcy proceedings, or by operation of law in any manner whatsoever, then any of such events

shall be deemed to be an event of default by Lessee under this lease. Upon the breach of any term or condition of this Agreement by Lessee, Jack Brooks Regional Airport shall have all rights and remedies available at law and equity, up to and including immediate termination of this Agreement. In the event this Agreement is terminated for any reason including Lessee's default, failure to comply with applicable statutes, ordinances and regulations; or expulsion from Airport, there will not be any refund of any fees paid to Jack Brooks Regional Airport by Lessee. Further, any obligation of Lessee to pay under this Agreement shall survive termination.

17. **Remedies.** Upon the occurrence of any event of default specified in Section 16 hereof, Lessor shall have the option to pursue any remedy allowed by law and may, without further notice or demand terminate this lease in which event Lessee shall immediately surrender the premises to Lessor. Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or any other remedies provided by law, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent due to Lessor hereunder or of damages occurring to Lessor by reason of the violation of any of the terms, provisions, and covenants herein contained. Lessor's acceptance of rent following an event of default hereunder shall not be construed as Lessor's waiver of such event of default. No waiver by Lessor of any violation or breach of any of the terms, provisions, and covenants herein contained shall be deemed or construed to constitute a waiver of any violation or breach of any of the terms, provisions, and covenants herein contained. Forbearance by Lessor to enforce one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of such default. The loss or damage that Lessor may suffer by reason of termination of this lease as provided for above shall include the expense of repossession and any repairs or remodeling undertaken by Lessor following possession.
18. **Cancellation.** Lessor shall have the right, for airport purposes, to cancel this lease in its entirety, to be effective at the end of any specified month, provided it gives not less than sixty (60) days written notice to Lessee of its intent to cancel this lease. Upon the effective date of such cancellation this lease shall be considered null and void as to any subsequent obligations by and between the parties. Lessee shall vacate the premises on or before the effective date of such cancellation. After the effective date of cancellation, if Lessee has not vacated the premises, he shall be construed to be a

tenant at will of Lessor.

- a. In the event Lessee obtains a ground lease from Lessor and substantially completes office and hangar improvements as specified in such ground lease, then in such event, Lessee shall have the right to cancel this lease in its entirety, to be effective at the end of any specified month during the term of this agreement, provided however that Lessee shall give not less than sixty (60) days written notice to Lessor of its intent to cancel in accordance with the above. Upon the effective date of such cancellation, and after the giving of appropriate notice by lessee, the lease shall be considered null and void as to any subsequent obligations by Lessee to pay rental amounts otherwise due. Further, Lessee shall vacate the premises on or before the effective date of cancellation. Holdover by lessee after the effective date of cancellation shall render Lessee a tenant at will of Lessor.
19. **Assignment**. Lessee agrees not to assign or sublease the premises leased, or any part thereof, or any right or privilege connected therewith, or to allow any other person, except Lessee's agents and employees, to occupy the premises or any part thereof, without first obtaining the Lessor's written consent, which will not be unreasonably withheld. Lessee's interest in this lease is not assignable by operation of law, nor is any assignment of his interest herein permitted. Lessor acknowledges renting hangar space is a necessary part of Lessee's business operation, and storage of aircraft within leased premises is not considered as assignment or sublease.
20. **Right of Entry**. Lessor reserves the right to enter upon the premises at any reasonable time for the purpose of making any inspection it may deem expedient to the proper enforcement of any of the covenants or conditions of this agreement. Lessor shall attempt to provide Lessee reasonable advanced notice except in the case of an emergency.
21. **Assurances**. Lessee covenants and agrees to comply with all rules and regulations of the Federal Aviation Administration, and all Federal, State and Local laws and ordinances now in effect or hereafter promulgated, and the same are made a part of this agreement by reference as though they were set forth herein.
22. **Airport Regulations**. The Lessee covenants and agrees to observe and obey the rules and regulations of the Airport, as promulgated by governmental authority, in the conduct of its operations

at the demised premises.

23. **Air Operations Area Security**. Lessee shall provide for the security of the Air Operations Area (AOA) to prevent ground entry or movement of unauthorized persons from or through the leased premises in accordance with any regulations imposed upon Lessor by the Transportation Security Administration. Lessee will indemnify and hold harmless Lessor, its officers and employees, from any charges, fines, or penalties that may be levied by any agency of the United States or the State of Texas by reason of Lessee's failure to comply with this requirement.
24. **Airport Hazard**. The Lessee and its successors and assigns, will not make or permit any use of the property which would interfere with landing or taking-off of aircraft at the Airport, or otherwise constitute an airport hazard, including such items as electrical and electronic interference with communications, electrical or electronic equipment, creation of dust or glaring or misleading lights.
25. **Insurance**. The Lessee shall, at all times during the term of this lease, maintain insurance coverage with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the Lessee. These requirements do not establish limits of the Lessee's liability. All policies of insurance shall waive all rights of subrogation against the Airport and Jefferson County, its officers, employees and agents and the Airport and Jefferson County shall be named "additional insured" on workers' compensation policy and liability coverage. Prior to execution of this agreement, certified copies of original insurance policies shall be furnished to the Airport. The Airport reserves the right to require additional insurance should it deem necessary.
 - a. Lessee shall have and maintain complete and adequate Worker's Compensation Insurance (with waiver of subrogation to the Airport and Jefferson County), as required.
 - b. Lessee shall have and maintain complete and adequate Commercial General Liability insurance of Five Hundred Thousand Dollars (\$500,000.00) each occurrence; and in addition shall provide property damage liability insurance in a minimum sum of One Hundred Thousand Dollars (\$100,000.00) for property damage growing out of any one accident or other cause.
 - c. The amounts of minimum coverage herein specified may be modified from time to time in compliance with Jefferson County standard requirements and Lessee shall maintain the

insurance with insurance underwriters authorized to do business in the State of Texas. Each policy or certificate shall contain a provision that written notice of cancellation or any material change in the policy by the insurer shall be delivered to Lessor, thirty (30) days in advance of the effective date thereof.

26. **Affirmative Action**. The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Lessee assures that it will require that its covered sub-organizations provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their sub-organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Re: Consent by Jefferson County to financing by Tarrant County Cultural Education Facilities Finance Corporation for Buckner Retirement Services, Inc.

Dear Judge Walker:

Enclosed is a request by Buckner Retirement Services, Inc. (the "Borrower"), a Texas nonprofit corporation exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, that Jefferson County consent to the issuance of bonds by Tarrant County Cultural Education Facilities Finance Corporation (the "Issuer") for the financing of a project for the Borrower.

As the enclosed letter explains, the federal tax law requires that the consent of Jefferson County be obtained to the financing by the Issuer. Jefferson County will have no liability with respect to the proposed bonds. This consent resolution is substantially identical to a consent resolution adopted by the Commissioners' Court of Jefferson County for the Issuer and the Borrower on June 18, 2007.

The Issuer and the Borrower would appreciate being placed on the next available agenda.

I will be in touch with you to answer any questions you may have.

Thank you for your assistance.

Sincerely yours,

McCall, Parkhurst & Horton L.L.P.

and Commissioners Court of Jefferson County

Re: Consent by Jefferson County to financing by Tarrant County Cultural Education Facilities Finance Corporation for Buckner Retirement Services, Inc.

Ladies and Gentlemen:

Tarrant County Cultural Education Facilities Finance Corporation (the "Issuer") proposes to issue the captioned bonds (the "Bonds") pursuant to the Cultural Education Facilities Finance Corporation Act, Article 1528m, V.A.T.C.S. (the "Act") to provide funds to finance and refinance certain health facilities for Buckner Retirement Services, Inc., a Texas nonprofit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 ("Buckner"). A portion of the proceeds of the Bonds will be spent on the addition of 45 independent living units, seven assisted living units and 18 skilled nursing units and other improvements and renovations, including wellness and dining facilities, to Buckner's Calder Woods senior living community located at 7080 Calder Avenue, Beaumont Texas 77706 (the "Project").

The Borrower is a Texas nonprofit corporation exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of 1986. Our firm is acting as bond counsel to the Issuer in connection with the issuance of the Bonds.

Because the Project is located in Jefferson County, Section 147(f) of the Internal Revenue Code of 1986 and the Treasury regulations promulgated thereunder require that in order for interest paid on the Bonds to be exempt from United States federal income taxation, an "applicable elected representative" of Jefferson County must approve the issuance of the Bonds after a public hearing following reasonable notice. This consent resolution is substantially identical to a consent resolution adopted by the Commissioner's Court of Jefferson County for the Issuer and the Borrower on June 18, 2007. A public hearing was held at the offices of Calder Woods following reasonable public notice at 10:00 a.m. on December 1, 2015. No member of the public attended. For your convenience, I have enclosed a proposed form of a consent resolution with the description included.

This consent is required solely for the purposes of satisfying the federal tax law and to enable the Issuer to proceed with the proposed tax-exempt financing of the Project with Bond proceeds. This consent in no way imposes any payment or other obligations on Jefferson County in connection with the financing.

Therefore, on behalf of the Issuer and the Borrower we respectfully request that consideration of adoption of the enclosed consent be placed on the agenda of the Commissioners' Court at its next available meeting, and that the Commissioners' Court approve and adopt such consent. Upon such approval, I would also very much appreciate it if you would return three completed, originally executed and sealed consents, resolutions to me in the self-addressed, stamped envelope enclosed for your convenience.

Please do not hesitate to contact me at (214) 754-9233 should you have any questions or comments. Thank you very much for your cooperation and assistance.

Sincerely,

McCall, Parkhurst & Horton L.L.P.
