Subject: RE: Contract Renewal Execution documents

Good morning,

We have received new pricing from Crouse Hinds last week on an item that effects this contract. The Lamp 62 Watt, 6.6 Amp MR16 Part# 20590 is now \$39.80 each. If Jefferson County orders any of these lamps we will have to charge the new price of \$39.80 each. Please revise the contract renewal documents to reflect this amount. If you have any questions please call me at 866-445-6237 or email me.

Thank you,

Max Moody

General Contracting

Project: Boat Ramp Rub Boards-Keith Lake

Construction Management

Subject: "Proposal"

Design-Build

Dear Mr. Fuselier:

Job Order Contracting

We are pleased to submit our proposal utilizing our 15/041JN-11-2015 Choice Partners JOC Texas Contract based on local CCI and our coefficient of .89.

Facilities Maintenance

Proposal Recap:

Commercial

- Furnish and install 45lf 4 x 6 rub boards along both sides of each ramp with 316 Stainless Steel Anchors, epoxy set.
- Furnish and Install ramp delineators at the ends of the concrete walkway.
- Furnish and install 316 Stainless Steel cleats bolted directly to the 4 x 6's.

Industrial

Government

Project Qualifications:

Healthcare

- The project consists of bolting rub boards to the existing four (4) concrete sidewalks and installing delineators at the end of each.
- The project site is located at the shoreline of Keith Lake.
- Two of the four concrete sidewalks are underwater during normal tides.
- One of the sidewalks is underwater at low tide. This requires an extreme low tide of -0.6 Mean Lower Low Water with a strong North wind for work to be performed.
- The boat ramps will be in operation during construction.
- The construction schedule relies on tide schedules, lunar cycles and wind direction and velocity.

Infrastructure

Corporate

Education

Performing Arts

Exclusions:

- Unforeseen items beyond specified scope listed above, liquated damages.
- any time constraints due to the project being based on tide schedules and wind direction.

Historical

Total Price This Proposal.....\$44,991.94

Mailing Address: LA License # 54937

COMMISSIONERS' COURT

COUNTY OF JEFFERSON

OF JEFFERSON COUNTY, TEXAS

BE IT REMEMBERED at a meeting of Commissioners' Court of Jefferson County, Texas, held on the ____ day of _____, 2016, on motion made by _____, Commissioner of Precinct No. _____, and seconded by _____, Commissioner of Precinct No. _____, the following Resolution was adopted:

Gift of Life Youth Advisory Council Takes A Stand Against Tobacco For National Kick Butts Day

WHEREAS, March 16, 2016 is **National Kick Butts Day**, and the **Gift of Life Youth Advisory Council** members are joining thousands of students across the country who are taking part in the national initiative as anti-tobacco advocates; and

WHEREAS, Gift of Life youth leaders representing 23 Southeast Texas schools will implement "peer-to-peer" awareness activities to combat the tobacco industry's marketing efforts that target young people as their "replacement smokers" to take the place of smokers who die or quit; and

WHEREAS, the Gift of Life's youth tobacco educational initiatives will help give kids a fighting chance against tobacco use as the vast majority of smokers start as children, and, in the U.S., 90 percent of all smokers start while in their teens or earlier; and

WHEREAS, although traditional tobacco use, such as smoking cigarettes, is declining among youth, findings from the 2014 National Youth Tobacco Survey show that current e-cigarette use among high school students increased from approximately **660,000** to **2 million students**. And among middle school students, current e-cigarette use more than tripled with an increase from approximately **120,000** to **450,000** students.

WHEREAS, most e-cigarettes contain nicotine and other chemicals, which can cause addiction, may harm brain development, and could lead to continued tobacco product use among youth; and

WHEREAS, it is estimated that more than 5.6 million children will ultimately die from smoking unless rates decline; and

WHEREAS, tobacco use, involving smoking and exposure to secondhand smoke, is the number one cause of preventable death in the United States, and one-third of all cancer deaths are attributed to tobacco products; and

WHEREAS, to address the public health epidemic from tobacco usage, the Gift of Life implemented the ***Don't Smoke Your Life Away*** Tobacco Program to educate Southeast Texans on the economic impact and healthcare hazards of tobacco, and

WHEREAS, the Gift of Life Tobacco Control Coalition of Southeast Texas strives to reduce the appeal and acceptability of tobacco products; implement tobacco cessation initiatives; and reduce secondhand smoke exposure, which will help reduce tobacco-related disease; and

WHEREAS, smoking kills more people than alcohol, AIDS, car accidents, illegal drugs, homicides and suicides combined, with thousands more dying from smokeless tobacco use; and

WHEREAS, tobacco costs the United States more than \$150 billion in lost productivity and \$170 billion in healthcare expenditures each year; and

NOW, THEREFORE, the Commissioners Court of Jefferson County, do hereby proclaim Wednesday, March 16 as the Gift of Life Youth Anti-Tobacco Day in observance of National Kick Butts Day in Jefferson County.

SIGNED this _____ day of _____, 2016.

AGENDA

March 7, 2016

Consider, possibly approve, authorize the County Judge to execute, receive and file Inter-local Agreement, pursuant to 791.014, Government Code, between Jefferson County and the Nederland Independent School District for street repairs.

Nederland Independent School District

PERSONNEL AND AUXILIARY SERVICES

January 29, 2016

Michael G. Laird, Assistant Superintendent

Mr. Brent Weaver
 Jefferson County Commissioner
 Road and Bridge Precinct 2
 7759 Viterbo Road
 Beaumont, TX 77705

Dear Mr. Weaver:

Nederland Independent School District requests assistance from Jefferson County Road and Bridge Precinct 2 in an overlaying project at Nederland High School.

The project includes:

- 1) Repair/ overlay approximately 2,500 square feet at Nederland High School Kitchen Driveway

As with previous projects, the District will order and purchase all materials with Precinct 2 providing equipment and labor.

The Nederland ISD Board of Trustees has approved and budgeted funds for this project under the District's annual project list. The Board will take action on February 15, 2016 to approve the Administration's request to enter into the inter-local agreement with Jefferson County.

Thank you for your assistance with this project and other projects. If you need additional information, please do not hesitate to contact me.

Respectfully,

Michael Laird
 Assistant Superintendent for Personnel
 and Auxiliary Services

INTERLOCAL AGREEMENT

COUNTY OF JEFFERSON

)

WHEREAS, Jefferson County, Texas, by and through its Commissioners' Court as authorized by Chapter 791 of the Government Code and the Nederland Independent School District, bodies politic of the State of Texas, for the mutual benefit of the citizens they serve, desire to enter into a contract to provide certain services to each other, and;

WHEREAS, Jefferson County, Texas through Commissioner Precinct Two has, from time to time, capacity to provide labor and equipment suitable for the repair of roadways and parking areas, and;

WHEREAS, the Nederland Independent School District, has, from time to time, the need to maintain and repair streets and roadways and parking areas which it owns, and;

WHEREAS, the Nederland Independent School District, does not have the labor or equipment suited for such construction and/or maintenance, and;

Now, therefore, know all men by the these presents:

Nederland Independent School District and Jefferson County hereby agree as follows:

1. Jefferson County shall furnish labor and equipment to repair certain parking areas and approaches to same, listed on Exhibit A incorporated herein, when and as determined at the discretion of the Commissioner for Jefferson County Precinct Two, subject to the requirements of Section 791.014 of the Government Code.
2. The Nederland Independent School District shall provide all materials needed for project.
3. The Nederland Independent School District shall provide equipment and materials for striping for County Parking lots designated within Precinct 2.
4. Consideration for the repairs herein contemplated shall be determined and mutually agreed from time to time depending on the scope of the repair needed.
5. This agreement shall be effective on the date of its execution and may be terminated at the will of either party.
6. This agreement shall be construed according to the laws of the State of Texas.
7. Nothing in this agreement shall be construed to create the existence of an agency relationship between the parties.
8. Any employee of a party performing services pursuant to this agreement shall not be deemed to be the agent of the party receiving services under this agreement.
9. The parties further agree, pursuant to Sec. 791.015, Texas Government Code, that any dispute regarding the terms of this agreement will be submitted to an agreed upon mediator for resolution.

Executed on the ____ day of _____, 2016.

Brent Weaver
Jefferson County Commissioner
Road & Bridge Precinct 2
7759 Viterbo Road
Beaumont, TX 77705

Dear Commissioner Weaver:

On behalf of the City of Port Neches, please accept this correspondence as a request for assistance from Jefferson County for the City's 2016 street repair program. Specifically, this request would involve the use of Jefferson County equipment and personnel as in past years. The City will supply all materials for the project. For your reference, I have attached a list of the proposed 2016 street work.

The City and our residents very much appreciate the assistance provided by Jefferson County. Thank you for your consideration of this request.

Should you have any questions or need additional information please contact me at 719-4200.

Sincerely,

A handwritten signature in black ink, appearing to read "Andre' Wimer", with a long, sweeping horizontal stroke extending to the right.

Brad Bailey
Mayor, City of Groves

2016 Port Neches, Nederland and Groves City street assistance Exhibit A.

Attached are the inter-local agreements with the Cities of Port Neches, Groves and Nederland and project maps. Item number 2 in the Inter-local agreement reflects the cities providing the county with materials needed as mentioned below. I have also attached the assistance requested according to street name and map to serve as an attachment to the inter-local agreement for each project by city.

The City of Nederland is providing 200 tons of cover stone rock material for the county, Groves is providing 4,000 gallons CRS-2 Oil for the county, and City of Port Neches is providing 4,000 gallons of CRS-2 Oil for the county. This is in accordance with section number 2 in our inter-local agreement where the county assists the cities of Port Neches, Groves and Nederland with street work and the city provides the county with materials needed. NISD is providing parking lot striping equipment and materials for several parking areas where County buildings are located in Precinct 2.

To: County Judge Jeff Branick

From: Coley Saleme

I, Coley "Nick" Saleme, Constable of Jefferson County, Precinct 1, do hereby resign effective immediately from my position as Constable and as an employee of Jefferson County. I request that the Commissioner's Court, pursuant to 87.041 of the Texas Local Government Code, appoint a replacement for my position. I intend for my resignation to become effective upon my signing this document.

This Power of Attorney is granted and is signed and sealed under and by the authority of the following Resolution adopted by the Board of Directors of Argonaut Insurance Company:

"RESOLVED, That the President, Senior Vice President, Vice President, Assistant Vice President, Secretary, Treasurer and each of them hereby is authorized to execute powers of attorney, and such authority can be executed by use of facsimile signature, which may be attested or acknowledged by any officer or attorney, of the Company, qualifying the attorney or attorneys named in the given power of attorney, to execute in behalf of, and acknowledge as the act and deed of the Argonaut Insurance Company, all bond undertakings and contracts of suretyship, and to affix the corporate seal thereto."

IN WITNESS WHEREOF, Argonaut Insurance Company has caused its official seal to be hereunto affixed and these presents to be signed by its duly authorized officer on the 18th day of July, 2013.

Argonaut Insurance Company

by: *Joshua C. Betz*

Joshua C. Betz, Senior Vice President

STATE OF TEXAS
COUNTY OF HARRIS SS:

On this 18th day of July, 2013 A.D., before me, a Notary Public of the State of Texas, in and for the County of Harris, duly commissioned and qualified, came THE ABOVE OFFICER OF THE COMPANY, to me personally known to be the individual and officer described in, and who executed the preceding instrument, and he acknowledged the execution of same, and being by me duly sworn, deposed and said that he is the officer of the said Company aforesaid, and that the seal affixed to the preceding instrument is the Corporate Seal of said Company, and the said Corporate Seal and his signature as officer were duly affixed and subscribed to the said instrument by the authority and direction of the said corporation, and that Resolution adopted by the Board of Directors of said Company, referred to in the preceding instrument is now in force.

IN TESTIMONY WHEREOF, I have hereunto set my hand, and affixed my Official Seal at the County of Harris, the day and year first above written.

Kathleen M. Meeks
(Notary Public)

I, the undersigned Officer of the Argonaut Insurance Company, Illinois Corporation, do hereby certify that the original POWER OF ATTORNEY of which the foregoing is a full, true and correct copy is still in full force and effect and has not been revoked.

IN WITNESS WHEREOF, I have hereunto set my hand, and affixed the Seal of said Company, on the 12 day of Feb 2013

Mr. Don,

Please see the attached revised bond. You can also see the communication in the email chain below.

Like we discussed on the phone, this bond is in the process of getting all of its signatures. This will be complete and the executed bond will be mailed to your office next week.

Thank you for your assistance with this issue. Let me know if you have any questions.

Thanks,

Kale Theriot • Project Manager

Lori,

We're sending you a new bond for delivery to your office tomorrow. Please get the old bond back when you file this one. I wasn't sure if the \$400k bond was filed yet so figured safest way was to issue again for \$800k.

Thanks

Subject: Auger Services - China TX permit bond

Lori,

Per our phone conversation, Auger needs to adjust the permit bond we have for moving equipment in China, TX

The bond we currently have does not cover all roads that need to be used. Please add the following roads:

Turner Rd.
Meaker Rd.
Old Sour Lake Rd.

The addition of these sections of road will add approximately 4 miles of additional coverage. The bond amount will need to be increased from \$400,000.00 to \$800,000.00 (\$100,000.00 per mile)

The revised bond will need to be overnighted to the Jefferson County courthouse at the following address:

ATTN: Earnest Clements
Jefferson County Courthouse
1149 Pearl St, 5th floor
Beaumont, TX 777001

Please send me a copy to forward along once completed as well.

Let me know if you have any questions.

Thanks,

Bond SUR0034933

LICENSE OR PERMIT BOND

KNOW ALL BY THESE PRESENTS, That we, AUGER SERVICES, INC. as Principal, of 524 W, Hwy 30 (Street and Number) Gonzales LA and the ARGONAUT INSURANCE COMPANY (City) (State) IL corporation, as Surety, are held and bound unto JEFFERSON COUNTY, TEXAS 1149 Pearl Street Beaumont, TX 77701

as Obligee, in the sum of Eight Hundred Thousand and 00/100 Dollars (\$ 800,000.00) for which sum, well and truly to be paid, we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

Sealed with our seals, and dated this 12th day of February 2016 .

THE CONDITION OF THIS OBLIGATION IS SUCH, That WHEREAS, the Principal has been or is about to be granted a license or permit to do business as Moving Equipment via County Roads - Job #9089

by the Obligee.

NOW, THEREFORE, if the Principal well and truly comply with applicable local ordinances, and conduct business in conformity therewith, then this obligation to be void; otherwise to remain in full force and effect.

PROVIDED, HOWEVER:

1. This bond shall continue in force:

Until , or until the date of expiration of any Continuation Certificate executed by the Surety

OR

Until canceled as herein provided.

2. This bond may be canceled by the Surety by the sending of notice in writing to the Obligee, stating when, not less than 30 days thereafter, liability hereunder shall terminate as to subsequent acts or omissions of the Principal.

Date

COMMISSIONERS COURT ORDER

On this date the attached application of a utility or common carrier pipeline came on for the Courts consideration, and the Court having considered the application is of the opinion that the applicant is a utility or common carrier pipeline company meeting all the requirements of County Policy for installation of a line in County roads and that the plans or details presented with said application did not appear to violate the County Regulations. It is ORDERED that said applicant shall comply with all provisions of the Pipe Line Policy adopted by this Court, and all subsequent revisions. The bond required shall be \$ N/A. Special conditions of construction (are/are not) attached hereto.

COMMISSIONERS COURT

By _____
County Judge

UTILITY AND COMMON CARRIER PIPELINE POLICY

GENERAL REQUIREMENTS

Who Must Apply

Any person, company corporation, or public agency desiring to place utility or common carrier pipelines in or above the rights-of-way of public roads in Jefferson County shall obtain a Commissioners' Court Order from Jefferson County Commissioners' Court shall the construction, operation and maintenance of said line. The applicant shall comply with all rules, regulations, principles, and specifications herein contained and any other subsequently adopted by Jefferson County Commissioners' Court prior to issuance of the order.

Application

The applicant must complete, in quintuplicate (5), the form herein contained, outlining in detail the proposed installation and its location in public right-of-way. The completed application form must be returned to Jefferson County Engineering Department, at 1149 Pearl Street, 5th Floor, Beaumont, Texas 77701, for approval by Commissioners' Court prior to the start of construction.

Determination

Commissioners' Court shall determine, within a reasonable time after filing of a complete application in the opinion of the County Engineer, the following:

- a. If applicant is a utility, whether applicant is a public utility serving a public purpose; and
- b. If applicant is a pipeline carrier, whether:
 1. It is a common carrier; and,
 2. It serves a public purpose; and,
 3. The proposed pipeline is a parallel line to be placed within fifteen (15) feet of the improved portion of said right-of way.

If Commissioners' Court determines that applicant is not a public utility, or that it is not a common carrier, or that its utility or pipeline shall not serve a public purpose, or that its propose pipeline will be a parallel line placed within fifteen (15) feet of the improved portion of any right-of-way, then, in the event of any such finding, applicant's application shall be denied and its bond returned.

Such applicant may then apply for a permit under the County's "Pipeline Permit Policy" and any bond, in lieu of returning it to applicant, may be applied to the permit application.

Maintenance, Alteration or Removal

Advance notification in writing will be required for all maintenance, alteration or removal operations except in emergency situation where the safety of the public would be endangered by a delay in repairs. In any such emergency, contact the County Engineer by phone at 9409) 835-8584, and inform him of the proposed emergency repairs. As soon as practical, but no later than 48 hours after the start of emergency repairs, notify the County Engineer in writing of the emergency repairs effected, detailing the repairs and the reasons immediate action was required.

Time Limits

A time period of three months is allowed from the issuance of the order to start construction. Once started, the applicant is allowed three months to complete all work. All construction must be completed within six (6) months from the date of issuance. Upon application, extensions may be granted by the Jefferson County Commissioners' Court. Such applications for extensions must be received by the Court at least thirty days before the expiration of the six-month period.

Exiting Permits

Any permit, franchise, or instruments of a similar character previously executed by Commissioners' Court shall be subject to the time limit and requirements herein unless specifically stated to the contrary in said permit, franchise or instrument.

GENERAL PRINCIPLES

No utility or common carrier pipeline shall ever be installed or maintained in such manner as to interfere with construction, maintenance or repair of any public road whether currently existing or hereafter constructed on future public right-of-way. Should a utility or common carrier pipeline installed by the applicant ever be found to interfere with the construction, maintenance or repair of an existing public road or future public road, the applicant shall, upon the request of the Commissioners' Court, or the County Engineer, promptly change or alter such installation, at its own expense, in such manner that the same no longer interferes with such construction, maintenance or repair.

No utility or common carrier pipeline shall ever be installed so as to interfere with the use of a public road for vehicular or pedestrian traffic, nor so as to interfere with any drainage now or hereafter effected on or along any such road.

Whenever the relocation of public utilities is necessitated by the improvement of a county road, such relocation shall be promptly made by the utility company or common carrier company at the rate, cost and expense of said company.

Responsibility for Repairs

The applicant, in accordance with the specifications herein contained and/or the directions of the County Engineer or his designated representatives, shall immediately, at its own expense, repair, or replace all public property and all private property, including, but not limited to, driveways, fences, and mail boxes, located in, along or adjacent to public right-of-way, which may be damaged or destroyed by any action or inaction of the applicant.

In any case in which the public welfare demands immediate action to remedy conditions arising out of the actions or inactions of the applicant and in which it is judged that the applicant cannot provide such immediate action, and in any case in which the applicant has failed to comply with the directions of Commissioners' Court, or the County Engineer or his representatives, or to comply with the rules of Jefferson County to perform or cause to be performed, at the remedy such conditions or provide compliance with such directions.

SPECIFICATIONS

General

The applicant shall comply with the rules, regulations, principles, and specifications contained here and/or the directions of the County Engineer, or his representatives. Should the County Engineer or his representative find that the applicant is not in compliance with said rules, regulations, principles, specifications and directions, he will require that the applicant cease all work until such compliance can be obtained. Failure to comply with said rules, regulations, specifications and directions will be cause for issuance of a "Stop Work Notice" until such time as said defects are corrected.

Line Crossing, Method of Placement

(See Standard Detail)

Any utility or common carrier pipeline crossing a public road, regardless of roadway surfacing or lack thereof, shall be bored, jacked or driven under the roadway and shall be placed in an iron, steel or other approved casing of approximately the same diameter as the utility or common carrier pipeline. Such casing shall extend one hundred and twenty (120) feet or the width of the right-of-way, plus one foot on each side of the right-of-way, whichever is greater with the casing location to be determined by the Jefferson County Engineering Department.

Water jetting will not be allowed. Excavation will not be allowed within the road right-of-way.

A minimum of three (3) feet must be provided under road ditches.

Uncased, protected pipelines must have a minimum cover of five (5) feet.

Where evidence is presented indicating the impracticality of boring, jacking, or driving the line under the roadway, Commissioners' Court may at its option, grant permission for placement by open cut or required relocations of the crossing to another location where the line can be successfully installed by the specified method.

Where placement by open cut is allowed by Commissioners' Court, it shall be in compliance with these specifications:

- a. Casing The line will be fully cased for one hundred and twenty (120) feet or the width of the right-of-way, plus one foot on each side of the right-of-way, whichever is greater; with the casing location to be determined by the Jefferson County Engineering Department.
- b. Backfill The line must be properly bedded to prevent settlement or damage to the line. The excavation shall be backfilled with cement stabilized sand (1 ½ sack per cubic yard) to within 2" of the sub-base and compacted.
- c. Base The base shall be replaced with crushed limestone base material from 2' below the existing base to 1" below the existing top of base and compacted to a minimum 95% Proctor density. In no case shall the compacted thickness of the replacement base be less than 6".

d. Surface

1. Dirt, Shell or Gravel Surface The original surface shall be replaced with an equal thickness of shell or gravel, but in no case less than 6" of well-compacted material will be accepted.
2. Bituminous Surface The original surface shall be replaced with a 1" greater thickness of hot mix, hot laid, asphaltic concrete, but in no case less than 2" thick.
3. Concrete Surface The original surface shall be replaced with a 1" greater thickness of minimum 3000 psi Portland Cement concrete, in no case less than 6" thick. Concrete must be replaced in full panel sections only. Replacement concrete is to be reinforced with ½" diameter deformed reinforcing steel bars, 12" on center or equal. Replacement sections must be accurately positioned with reference to existing sections by means of steel dowel bars. Bituminous overlays or concrete shall be replaced with an equal thickness of hot mix, hot laid asphaltic concrete.

Where a line is installed outside of the roadway area, the excavation may be backfilled with excavated material compacted in 6" lifts, and the right-of-way shall be reshaped to its original contours. Excess excavation shall be hauled away.

Lines paralleling Method of Placement

Where the right-of-way is available, no lines shall be placed closer than ten (10) feet to the edge of pavement nor closer than twenty feet from the center line of a road where the road is not paved. No line shall be placed less than three feet below the flow-line of a road ditch without the permission of Jefferson County Commissioners' Court. (See Standard Detail)

Lines may be placed by an open cut of the road shoulder. When excavated material from the cut is piled along the cut, the applicant shall provide minimum 12" wide weep holes at maximum 200-foot intervals and at all low places to allow drainage of the road and adjacent property into the road ditch.

The line shall be properly bedded and may be backfilled with the excavated material compacted in 6" layers. Excess excavation must be hauled away.

Pole, Lines, Location

Utility lines for the transmission of electrical power, or for telephone or telegraph communications, or for similar purposes, may be installed above ground on timber or other sturdy poles. Poles shall be placed as close as practical to the right-of-way lines but in no case closer than fifteen (15) feet from the edge of pavement without the permission of Commissioners' Court.

No guy wires may be anchored within the right-of-way except in the outer one-foot on each side.

Care shall be taken in the placement of poles to minimize the danger that they present to vehicular traffic. The applicant may in some cases be required to construct guardrails for the protection of the public.

Care shall be taken in the placement of poles to avoid damage to existing underground lines. No poles will be placed where they will block drainage.

Pole lines crossing public roads must provide a minimum twenty-two (22) foot vertical clearance.

Inspection Notice

The applicant will notify County Engineer, at (409) 835-8584, at least 48 hours in advance of the start of construction, or of the resumption of construction if discontinued for more than 5 working days.

Line Markers

All lines crossing public roads shall be identified with appropriate markers installed three (3) feet above ground on metal posts located at the point where such line crosses the right-of-way line.

Lines paralleling shall be marked with similar markers every 400 feet, in no event less than one city block. Lines paralleling shall be marked with similar markers at all angle points. Such markers shall be placed on the right-of-way line and the offset to the line indicated.

Traffic Control

The applicant shall maintain at least one lane of traffic in each direction open at all times unless permission to the contrary is granted by the County Engineer.

The applicant shall provide all necessary flagmen, barricades, flashers and any other traffic control devices necessary for the protection of the public and of his own personnel.

Bonds

The common carrier applicant will provide a performance bond as Jefferson County Commissioners' Court may require to provide for the protection of public property. The minimum bond required shall be \$5,000.00 per crossing and \$50,000.00 per mile of parallel construction or fraction thereof.

Significantly larger bonds may be required if judged necessary by Jefferson County Commissioners' Court. No work will begin until the County Engineer has been furnished such bond.

Application Fee

The common carrier application fee shall be \$100.00 per road crossing and \$150.00 per mile of parallel construction or fraction thereof.

ROUTE MAP

Applicant shall submit with application five (5) prints of the County Road Map accurately showing the location and alignment of the line, including all angle points and all tie-ins for crossings of roads and major streams. Applicant shall use the official Jefferson County Road Map at a scale of 1" = 3 miles. This map can be obtained through the office of the County Engineer.

Re: Jefferson County Juvenile Detention Facility

Gentlemen:

We, the undersigned, being the membership of the Jefferson County Board, did, on the 2nd day of March, 2016, personally inspect the detention facilities of the Jefferson County Detention Facility at 5326 Highway 69 South, Beaumont, Texas and do hereby certify as to the following:

1. That said facilities, in accordance with Title 3, Texas Family Code, Section 51.12 (c), are suitable for detaining forty-eight (48) juveniles (capacity);
2. That the facilities are operated in accordance with Standards for Juveniles Detention Facilities, as promulgated by the Texas Juvenile Justice Department;
3. That said Board has reviewed the Annual Report as prepared by the facility administration and;
4. That said facilities are now certified by this Board for 365 days.

Respectfully Submitted,
Jefferson County Juvenile Board
