Greetings from Commissioner Weaver

We are excited and motivated about our accomplishments after the first 12 months in office. We have been working diligently on our initiatives and a long "to-do-list". We have met and received feedback from citizens this first year regarding many projects and issues. There have been many road, bridge, and drainage projects completed. We have several projects underway and those being planned. We will keep the momentum and continue providing action, communication and information to Precinct 2.

On January 1st, 2011, I officially took my oath of office to serve as your County Commissioner of Precinct 2. I was overwhelmed by the show of support at the Oath of Office ceremony. I'm proud to serve as YOUR Commissioner!

The mission of Road & Bridge Precinct 2 : is to serve Jefferson County and the citizens of Precinct #2 through action, communication, and information. We strive to provide road, bridge and drainage services in an effective, efficient, and responsive manner. We pledge to accomplish this with safety, pride and professionalism.

Other Precinct Projects

Precinct 2 Inspections, Inventory and Clean-up

The staff of Precinct 2 has been working tirelessly to reorganize and do a clean-up of the grounds, building and the shop areas.

After clean up and organization

Precinct 2 Equipment Inspections and Repairs

The staff has been working to inspect and repair all the precinct heavy equipment, dump trucks and other related items to ensure all equipment is operating safely and effectively. During our inspections we developed a priority list for each piece of equipment that addressed operational and safety concerns. We also developed an equipment check list and log book for tracking routine and preventive maintenance.

First Precinct 2 History, 1st Office Sign, and 1st Flag Dedication

We researched and located photos and dates of terms of all the past Commissioners of Precinct 2 going back to 1884. We held a flag dedication ceremony for the first flag displayed at the Precinct 2 Office. It was presented by active duty U.S. Marines, Local Veterans and Scout Troops. We also posted the first precinct sign in front of the precinct office so citizens can easily locate our office.
