Dear Commissioner Weaver:

On behalf of the City of Port Neches, please accept this correspondence as a request for assistance from Jefferson County for the City's 2012 street repair program. Specifically, this request would involve the use of Jefferson County equipment and personnel as in the past years. The City will supply all materials for the project. For your reference, I have attached a list of the proposed 2012 street work.

The City and our residents very much appreciate the assistance provided by Jefferson County. Thank you for your consideration of this request.

Sincerely,
