Jefferson County Precinct 2 Commissioner Brent Weaver will hold a flag raising ceremony at the Precinct 2 Office on National Flag Day

Precinct 2 Commissioner's Office now has a U.S. Flag flying over the Precinct 2 County Commissioner's office. Since taking office it has been my desire to have a U.S. flag displayed in front of the County office. The United States Marine Corps, Local Marine Corps League, Local Veterans VFW Post and Local Boy Scout Troop will assist with the flag ceremony. I felt it would be quite timely and appropriate to have the flag ceremony on National Flag Day. On August 3rd, 1949, President Truman signed an Act of Congress designating June 14th of each year as National Flag Day.

“As a Marine Veteran, I’m extremely thankful for the many sacrifices made by our active duty Military and Veterans. It is important to me to have a flag displayed; as it is common to see the U.S. Flag flying in front of Governmental Offices such as the Courthouse and other City, County, State and Federal buildings. As a County elected official this is one way I can honor the many Veterans and the active duty military personnel who carry out their duty for what the Flag stands for.”
