

December 2011

Hello,

I hope this finds you doing well. I wanted to share a few photos taken during the packing and shipping process for the care packages for the troops deployed in Iraq and Afghanistan. I would like to once again say Thank you for all your support of our troops and this project. As a veteran, I appreciate your wiliness to support and partner with us for this worthy cause.

Please let your teachers and students know how much it was appreciated and please share the photos and message with them. (Photos shown on the following pages.)

Thanks again, Brent Weaver
