GOVERNING LAW

Proposer is advised that these requirements shall be fully governed by the laws of the State of Texas and that Jefferson County may request and rely on advice, decisions, and opinions of the Attorney General of Texas and the County Attorney concerning any portion of these requirements.

AMBIGUITY, CONFLICT, OR OTHER ERRORS IN THE RFP

If the proposer discovers any ambiguity, conflict, discrepancy, omission or other error in the RFP, proposer shall immediately notify the County of such error in writing and request modification or clarification of the document. Modifications will be made by issuing Addenda. Written notice will be given to all parties who have been furnished with the RFP without divulging the source of the request for the same. If the proposer fails to notify the County prior to the date and time fixed for submission of proposals of an error or ambiguity in the RFP known to proposer, or an error or ambiguity that reasonably should have been known to proposer, then proposer shall not be entitled to compensation or additional time by reason of the error or ambiguity or its later resolution.

The County may also modify the RFP, no later than 48 hours prior to the date and time fixed for submission of proposals, by issuance of an Addendum to all parties who have received the RFP. All addenda will be numbered consecutively, beginning with number one (1).

PROPOSAL PREPARATION COST

The cost for developing proposals is entirely the responsibility of proposers and shall not be charged to Jefferson County.

SIGNATURE OF PROPOSAL

A transmittal letter, which shall be considered an integral part of the proposal, shall be signed by an individual who is authorized to bind the proposer contractually. If the proposer is a corporation, the legal name of the corporation shall be provided together with the signature of the officer or officers authorized to sign on behalf of the corporation.

If the proposer is an individual, that individual shall sign. If signature is by an agent, other than an officer of a corporation or a member of a partnership, a power of attorney or equivalent document must be submitted to the Jefferson County Purchasing Department prior to the submission of the proposal or with the proposal.

ECONOMY OF PRESENTATION

Proposals shall not contain promotional or display materials, except as they may directly answer in whole or in part questions contained in the RFP. Such exhibits shall be clearly marked with the applicable reference number of the question in the RFP. Proposals must address the technical requirements as specified in the RFP. All questions posed by the RFP must be answered concisely and clearly. Proposals that do not address each criterion may be rejected and not considered.

PROPOSAL OBLIGATION

The contents of the proposal and any clarification thereof submitted by the selected proposer shall become part of the contractual obligation and incorporated by reference into the ensuing contract.

GOVERNING FORMS

In the event of any conflict between the terms and provisions of these requirements and the specifications, the specifications shall govern. In the event of any conflict of interpretation of any part of this overall document, Jefferson County's interpretation shall govern.

IMPLIED REQUIREMENTS

Products and services not specifically mentioned in the RFP, but which are necessary to provide the functional capabilities described by the proposer, shall be included in the proposal.

COMPLIANCE WITH RFP SPECIFICATIONS

It is intended that this RFP describe the requirements and the response format in sufficient detail to secure comparable proposals. Failure to comply with all provisions of the RFP may result in disqualification.

EVALUATION

Evaluation shall be used as a determinant as to which proposed items or services are the most efficient and/or most economical for the County. It shall be based on all factors that have a bearing on price and performance of the items in the user environment. All proposals are subject to negotiation by the Purchasing Department and other appropriate departments, with recommendation to Commissioners' Court. Compliance with all requirements, delivery, and needs of the using department are considerations in evaluating proposals. Compliance is not the only criteria for making a recommendation. A preliminary evaluation by Jefferson County will be held and the appropriate proposals will be subject to negotiation. Upon completion of negotiations, Jefferson County will make an award. **All proposals that have been submitted shall be available and open for public inspection seven (7) days after the contract is awarded, except for trade secrets or confidential information contained in the proposals.** Any material that is to

be considered as confidential in nature must be clearly marked as such and will be treated as confidential by Jefferson County to the extent allowable in the Open Records Act.

WITHDRAWAL OF PROPOSAL

The proposer may withdraw its proposal by submitting a written request over the signature of an authorized individual, as described in paragraph 1.6, to the Purchasing Department any time prior to the submission deadline. The proposer may thereafter submit a new proposal prior to the deadline. Modification or withdrawal of the proposal in any manner, oral or written, will not be considered if submitted after the deadline.

AWARD

Jefferson County reserves the right to award this contract on the basis of the Highest and Best Offer in accordance with the laws of Texas, to waive any formality or irregularity, to make award to more than one proposer, and/or to reject any or all proposals. In the event the highest dollar proposer meeting specifications is not awarded a contract, the proposer may appear before Commissioners' Court and present evidence concerning his responsibility.

OWNERSHIP OF PROPOSAL

All proposals become the property of Jefferson County and will not be returned to proposers.

DISQUALIFICATION OF PROPOSER

Upon signing this proposal document, a contractor proposes to sell supplies, materials, services, or equipment to Jefferson County certifies that the proposer has not violated the antitrust laws of this state codified in Section 15.01, et seq, Business & Commerce Code, or the Federal Antitrust Laws, and has not communicated directly or indirectly the offer made to any competitor or any other person engaged in such line of business. Any or all proposals may be rejected if the County believes that collusion exists among the proposers.

CONTRACTUAL DEVELOPMENT

The contents of the RFP and the selected proposal will become an integral part of the contract, but may be modified by provisions of the contract as negotiated. Therefore, the proposer must be amenable to inclusion in a contract of any information provided (in writing) either in response to this RFP or subsequently during the selection process.

ASSIGNMENT

The selected vendor may not assign, sell, or otherwise transfer this contract without written permission of the Jefferson County Commissioners' Court.

CONTRACT OBLIGATION

Jefferson County Commissioners' Court must award the contract, and the County Judge or other person authorized by Jefferson County Commissioners' Court must sign the contract before it becomes binding on Jefferson County or the proposer. **Department Heads are not authorized to sign agreements for Jefferson County.** Binding agree-

ments shall remain in effect until all products and/or services covered by this proposal have been satisfactorily delivered and accepted.

TERMINATION

Jefferson County reserves the right to terminate the contract for default if the awarded vendor breached any of the terms therein, including warranties of proposer, or if the proposer becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Jefferson County's satisfaction, and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified.

INSPECTIONS

Jefferson County reserves the right to inspect any item(s) or service location(s) for compliance with specifications and requirements and needs of the using department. If a proposal cannot furnish a sample of a proposed item, where applicable, for review, or fails to satisfactorily show an ability to perform, the County can reject the proposer as inadequate.

TESTING

Jefferson County reserves the right to test equipment, supplies, material and goods proposed for quality, compliance with specifications, and ability to meet the needs of the user. **Demonstration units must be available for review. Samples of food goods will be required upon final evaluation.** Should the goods or services fail to meet requirements and/or be unavailable for evaluation, the offer is subject to rejection.

In addition, the proposer shall totally indemnify Jefferson County against all claims of loss or damage to the proposer's and Jefferson County's property, equipment, and/or supplies.

3. SCOPE

The Jefferson County Commissioners Court has approved a plan to now lease the remaining previously not leased properties that were acquired as a result of the “buy-out” of properties which qualified under the FEMA Mitigation Plan. The county will offer the properties to individuals or organizations who are interested in submitting a proposal for lease on a particular lot or lots and the proposals will be submitted to the Jefferson County Purchasing Department.

There is no minimum amount or reserve set, and the lease will be for a period of 5 years. **Payment for all 5 years will be due at Lease Signing.** Anyone who does lease a property will be required to mow it, maintain it and use it in a safe and lawful manner. The majority of the properties are in residential areas that have deed restrictions and the county does require that any lessee abide but any such deed restrictions.

There are several restrictions on use which are listed in the sample lease (Exhibit A), and which are required by FEMA. **We strongly encourage each proposer to read these specifications in their entirety prior to submitting a proposal.** It should be understand that the property may not be leased to live on and no permanent structures may be constructed. We are hopeful that the persons who are interested will be using the properties as additional space for their adjacent homes, or recreational and civic activities of a peaceful manner that do not interfere with the existing neighbors and neighborhood. The leased properties are not to be harvested for timber or dirt and are not to be altered so as to interfere with drainage.

Each individual property will be listed on the attached Proposal Price Schedule with an ID #, the property address, a legal description, and coordinates for latitude and longitude.

The County makes no warranties to Lessee regarding the quality of the Property. Lessee has inspected and knows the condition and agrees to accept the property in its current condition and “AS IS.” **THE COUNTY WILL NOT MAINTAIN OR PROVIDE ANY REPAIRS FOR PRIVATE ROADS UPON WHICH ANY OF THE LEASED PROPERTIES ARE SITUATED.**
