Addendum to RFP

RFP NUMBER: 22-039/MR
RFP TITLE: Inmate Health Care Services for Jefferson County Correctional Facility
RFP DUE BY: 11:00 am CT, Wednesday, November 30, 2022
ADDENDUM NO.: 1
ISSUED (DATE): November 4, 2022

To RFP Respondent: This Addendum is an integral part of the RFP package under consideration by you as a Respondent in connection with the subject matter herein identified. Jefferson County deems all sealed qualifications to have been proffered in recognition and consideration of the entire RFP Specifications Package - including all addenda. For purposes of clarification, receipt of this present Addendum by a Respondent should be evidenced by returning it (signed) as part of the Respondent's sealed RFP response submission. If the RFP response submission has already been received by the Jefferson County Purchasing Department, Respondent should return this addendum in a separate sealed envelope, clearly marked with the RFP Title, RFP Number, and RFP Opening Date and Time, as stated above.

Reason for Issuance of this Addendum:

- 1. Updated contact email addresses.
2. Mandatory Pre-Proposal conference attendees.
3. Questions & Answers

The information included herein is hereby incorporated into the documents of this present RFP matter and supersedes any conflicting documents or portion thereof previously issued.

Receipt of this Addendum is hereby acknowledged by the undersigned Respondent:

- Questions & Answers.
 1. Question: The requirements for proposer experience and proposer's personnel and organization are written in two places (section 5 and 6.2 for experience, and 4.7 and 5 for personnel and organization). There are slight differences between the two versions, and we need to know which should be followed.

Answer: Include all requested information in sections 5 and 6.2 for experience. Include all requested information in sections 4.7 and 5. Section 5 contains more specific detail for sections 4.7 and 6.2.

2. Question: Section 6, project requirement, is not listed in the organization of proposal content. Can you confirm where in the organization they would prefer this information?

Answer: You can submit your proposal in the order you prefer. The only requirements by Jefferson County Purchasing Department are the entire RFP, all forms and all requested information is included in your proposal.

3. Question: We have noticed that the page numbers of the RFP go from 43 of 64 to 34 of 71. Is there any portion of the RFP that we are missing?

Answer: The page numbers are off in the RFP. The page numbers to go from 43 of 64 to 34 of 71. There are a total of 81 pages in the RFP. You are not missing any portion of the RFP.

1st Floor, Beaumont, TX 77701

OFFICE MAIN: (409) 835-8593
FAX: (409) 835-8456

4. Question: Please clarify if the County expects responders to respond in detail to every section and subsection of the RFP or do we acknowledge the requirements of Sections 1, 2, 3, 4, 6, and 7 and provide detailed responses only to section 5.

Answer: You acknowledge the requirements of the entire RFP when you sign the Respondent's Affidavit. The entire RFP, all forms and all requested information must be provided in your proposal.

5. Questions: Page 40 of 64, Section 4.7 – Will job descriptions suffice instead of resumes for on-site key staff since most companies cannot hire until a contract is awarded?

Answer: Provide resumes for staff that you currently have that will be involved in the contract, should your company receive the award, as well as job descriptions for staff you intend to hire should your company receive the award.

6. Question: Does the facility currently have an electronic medical records system? If so, what is the system?

Answer: Our current contractor utilizes an electronic medical records system and that information would have to be provided by them at their discretion.

7. Question: Page 36 of 71i. – To what two positions is the County referring?

Answer: See the staffing requirements on page 40 of 71 and 41 of 71.

8. Question: Is there an on-site Jail-Based Competency Restoration Program currently in operation at the facility? If so, is this provided by the current contractor? If so, what is the staffing plan for the program and what is the ADP?

Answer: No.

9. Question: Page 40 of 71, please provide a copy of the facility's current staffing matrix to include schedule for days of the week, hours per day, and day, evening, and night shifts.

Answer: This information would have to be provided by our current contractor at their discretion.

10. Question: Page 44 of 71, is this a cost-plus contract? If so, please explain how it works with reimbursements and reconciliation and in association with the \$500,000 cap.

Answer: The offerors operational budget plus the \$500,000 aggregate cap is the proposal amount that should be submitted on the cost proposal form. The \$500,000

1st Floor, Beaumont, TX 77701

OFFICE MAIN: (409) 835-8593
FAX: (409) 835-8456

aggregate cap is for off-site medical services for inmates. The County will reimburse the contractor for off-site medical services for inmates that exceed the \$500,000 cap.

11. Question: What is the cost of this year's current contract?

Answer: We are currently in a month to month contract with our current contractor. Our current monthly cost is \$382,992.66.

12. Question: Please provide the total costs for pharmaceuticals for each of the last 3 years.

Answer: The only pharmaceuticals we currently are billed for are HIV medications. As of November 1, 2022 the County has paid CorrHealth \$471,329.66 for HIV medications. All other pharmaceuticals are covered in the current contractors Operational Expenses. This information would have to be provided by our current contractor at their discretion. In your proposal for RFP 22-039/MR you should include all prescription costs (including HIV) medications in your Operational Expenses. The County will not pay for HIV medications separately in the award of RFP 22-039/MR).

13. Question: Please provide the total costs for off-site services for each of the last 3 years.

Answer: The following are the amounts the County has paid over the aggregate cap.
April 2018 - March 2019: \$562,925.05
April 2019 - March 2020: \$1,155,480.14
April 2020 - March 2021: \$2,113,669.10
April 2021 - March 2022: \$1,437,313.36

14. Question: Will emergency services (ambulance) transportation be provided by the County?

Answer: See Section 5, Services and Administration, #28.

15. Question: Is 909 the ADP the County wants responders to use for our responses to the RFP?

Answer: See the Cost Proposal Form, Section 7.1.1.

16. Question: Are any dialysis services currently being provided on-site? If so, what company is providing the services and how many dialysis stations are provided?

Answer: No.

1st Floor, Beaumont, TX 77701

OFFICE MAIN: (409) 835-8593
FAX: (409) 835-8456

17. Question: Would we be able to get a list with a description and quantity of supplies used in this project over the last year?

Answer: This information would have to be provided by our current contractor at their discretion.

18. Question: Could we obtain the average cost of those supplies over the last year?

Answer: This information would have to be provided by our current contractor at their discretion.

19. Question: Could we obtain a list of pharmaceuticals that the facility needs to have in stock?

Answer: Our current contractor provided a list of medications that are kept on hand. This list is shown in Attachment B.

20. Question: Could we obtain the current labor costs by person, including their full-time or part-time status, and their title?

Answer: This information would have to be provided by our current contractor at their discretion.

21. Question: How is "billing period" defined for purposes of the cost proposal? Month? Year?

Answer: The offeror will use the "Cost Proposal Form" in the RFP to submit their yearly proposal rate.

22. Question: What sort of costs does the off-site 500k aggregate include? Only medical costs? Also transportation, wages for guards, etc?

Answer: The \$500,000 aggregate cap includes off-site medical services only.

23. Question: Would we be permitted to utilize telemedicine at the facility?

Answer: Telemedicine would be accepted as an additional service to the required service and on site staffing requirements in RFP 22-039/MR.

24. Question: How detailed do our books need to be for purposes of disclosure to the county? In other words, what precise information will be required?

Answer: The County requires provider information, date of service, original rate of services and negotiated rate of services, amount paid, inmate name and services

JEFFERSON COUNTY PURCHASING DEPARTMENT
Deborah L. Clark, Purchasing Agent

1149 Pearl Street
1st Floor, Beaumont, TX 77701

OFFICE MAIN: (409) 835-8593
FAX: (409) 835-8456

provided for the aggregate cap. For any billing over the contractor's operational budget, the County will require the same information.

25. Question? Can you describe how the billing will work, generally? In other words, will be invoice the county monthly for the inmate services? Any details are appreciated.

Answer: The accepted annual cost proposal will be divided into a monthly amount and the awarded contractor will bill the amount monthly. The awarded contractor will also include the detail of funds spent for services toward the aggregate cap monthly (as referenced in question 24 above). The awarded contractor will also need to provide a detailed staffing analysis of filled and open positions monthly.

26. Question: Could we obtain the total amount of money paid to CorrHealth by the county during their tenure as inmate services provider?

Answer: As of November 1, 2022 Jefferson County has paid CorrHealth a total of \$25,223,377.71 for their services.

27. Question: Could we obtain any approvals through the county commissioner's court or otherwise of sums paid to CorrHealth above and beyond what was called for in the original contract? (For example, amounts offered for COVID, unexpected overages, etc.?)

Answer: All contract amendments are attached in Attachment A.

28. Question: Does any rate standard exist for outside services?

Answer: No

29. Question: Is payment of our own corporate employees overseeing this project included in the outside services aggregate?

Answer: No, see question 22.

Sheriff Stephens, Chief Shauberger and Mrs. Sauer, Procurement Manager
5030 Highway 69 South
Beaumont, Texas 77705

RE: CorrHealth's 3rd Year Annual Renewal Proposal for Continued Partnership to Provide Quality and Professional Comprehensive Inmate Medical, Mental/Behavioral and Community Healthcare Programs and Services in 2020-2021.

Dear Sheriff Stephens, Chief Shauberger and Mrs. Sauer, Procurement Manager,

I/we hope this correspondence finds you, your families and teams staying healthy, strong and well as we continue to work through this pandemic. As you're aware, we engaged in our partnership on April 10st, 2018 and we're already deep into the 3rd year of our partnership. You, your team and Jefferson County are important to us and we're incredibly proud of our partnership with you, as we are of our various achievements and the challenges we've overcome thus far in our first two years.

National, industry, state and community best standards of care are essential to us and our programs and we are proud of our success managing our team, our programs and services in accordance with Texas Commission on Jail Standards and the National Commission on Correctional Health Care (NCCHC) standards of care. As we committed to you, your team and Jefferson County through the county's "RFP# 17-037/YS" specific to "Inmate Healthcare Services for the Jefferson County Correctional Facility", we've recruited an impressive team and built a quality based program with an emphasis on managing our programs and services on-site and decreasing unnecessary off-site transports and mitigating risks and liabilities. We feel our first two (2) years have been successful thus far and we believe you agree.

In the subsequent page, please find our proposal and pricing to continue delivering quality and professional comprehensive inmate medical, mental/behavioral and community healthcare programs and services to Jefferson County for the term April 10th, 2020 through April 9th, 2021. Once approved by Jefferson County, please send me an email affirming approval of the proposed terms and your approval to move forward. Please also email a signed copy of the attached price proposal to me at your convenience. Once you do so, we will immediately return a signed Addendum to our Agreement to ensure we move towards completing the renewal as soon as possible.

We greatly appreciate the trust you've instilled in us, your unwavering support and our partnership with you, your team and Jefferson County over the last 2 years. We very much look forward to another successful year and serving and partnering with you, your team and Jefferson County for many more years to come. As always, feel free to contact us at any time should you or your team have any question, issues, concerns, should you wish to discuss this proposal and/or if there's anything we can do for you and your team.

Sincerely and always our best,

Todd Murphy, Co-Founder and President

Proposal for Comprehensive Inmate Medical, Mental, Ancillary and Community-Based Inmate Healthcare Programs and Services for Jefferson County, Texas

CorrHealth is excited to submit our proposal to continue providing quality comprehensive inmate medical, mental/behavioral, ancillary and community based inmate healthcare programs and services for the detainees held at the Jefferson County Correctional Facility in accordance with the Agreement, which was fully executed on March 26th, 2018. Our proposal for our 3rd year renewal effective April 10th, 2020 through April 9th, 2021 which consists of:

Proposed CPI Increase

As you know, through our response to the county's RFP, we waived the consumer price index (CPI) after our first year of our partnership, which helped the county's budget through a first year savings of \$129,739.65 (assuming a 3% annual CPI rate) and a compounded savings of \$542,782.30 over the five (5) year term (assuming a 3% CPI in years three (3) through five (5)).

Per Section 9.4 specific to the "Annual Compensation Escalator" on page 8 of the Inmate Healthcare Services Agreement, CorrHealth is proposing to implement a consumer price index (CPI) charge of 3% which will go toward team wage increases which will be critical in securing them in securing them and decreasing turn-over rates in this essential and highly competitive industry, increased insurance premiums and medication prices.

Please see the "3rd Year Renewal Pricing Summary" section below which details the CPI and what it represents in relation to the 2020-2021 price increase.

Proposal to Negate the \$500,000 Off-Site Aggregate Cap

Per Section 9.5 specific to the “Financial Limitations Through the Aggregate Cap” on page 9 of the Inmate Healthcare Services Agreement, due to the fact there is no benefit for the county to pre-pay an aggregate cap for off-site services and care, CorrHealth is proposing to negate/drop the \$500,000 aggregate cap and credit the \$500,000 back to the county in the contract years 2020-2021 and in the years beyond.

CorrHealth will provide the same level of claims review and utilization management (UM) services and CorrHealth will continue to receive the offsite invoices, verify the patient was an inmate at the time the services were provided and remit payment on Jefferson County’s behalf for any, and all offsite invoice after each invoice is reconciled through CorrHealth’s claims and utilization management (UM) process. By negating the aggregate cap, Jefferson County will receive the same negotiated and discounted rates regardless if CorrHealth manages the aggregate cap or not.

Please see the “3rd Year Renewal Pricing Summary” section below which details the result of negating the \$500,000 aggregate off-site cap in relation to the 2020-2021 price increase.

Proposal to Increase Price to Cover HIV Medications

According to Jefferson County's response to question #10 in the county's Addendum #1 to the Request for Proposal (RFP)# 17-037/YS, which was released January 24th, 2018, the County stated managing:

- 11 inmates with HIV in 2015,
- 8 inmates with HIV in 2016,
- 6 inmates with HIV in 2017,

Based on these historical metrics, we modeled our HIV medication costs based on 12 inmates with HIV, which correlates with the historical metrics provided in the county's RFP# 17-037/YS and Addendum #1. The cost of HIV medications range from \$3,500-\$5,000 per patient, therefore we modeled \$4,500 per inmate for HIV medications totaling \$54,000 annually.

According to our medical records in CorEMR, we managed, cared for and provided HIV medications for:

- 96 inmates with HIV from April 10th through December 31st, 2018 and spent \$95,105 on HIV medications during that period.
- 154 inmates with HIV in 2019 and spent \$293,425.20 on HIV medications during that year.
- We've managed, cared for and provided HIV medications for 21 inmates with HIV since January 1st (through March 2020) and we spent \$63,894.05 on HIV medications in the first three (3) months of 2020.

In total, CorrHealth spent \$452,424.25 between April 10th, 2018 and March 31st, 2020. We modeled our HIV medication costs based on the historical metrics provided by the county (RFP# 17-037/YS and Addendum #1), but with this population being significantly higher than the RFP stated and we expected, we have spent \$398,424.25 more than we modeled, therefore we are requesting a one-time reconciliation payment totaling \$398,424.25.

To cover HIV medications through the 2021 renewal and in the year's beyond, CorrHealth is proposing to cover HIV medications through the 2021 renewal and in the year's beyond, CorrHealth is proposing to subtract the amount modeled (\$54,000) for HIV medications from the contract price and continue providing Jefferson County with all HIV medications at a direct pass through and at a 0% profit margin.

(Proposal to Increase Price to Cover HIV Medications Continued)

Through this proposal, CorrHealth will invoice the county on a monthly basis for the pass-through costs of these medications and we will provide supportive documentation to support these expenditures along with each monthly invoice.

Please see the "3rd Year Renewal Pricing Summary" section below which details our proposal to cover HIV medications in the renewal term of 2020-2021 and in the years beyond.

Proposal to Add a Full-Time Pharmacy Technician

Due to the vast number of medications required to properly manage the medical and mental healthcare programs and services of Jefferson County's population and the complexity of managing this critical and costly component of our program, we are proposing to add a full-time Pharmacy Technician to our weekly coverage matrix. We are proposing to implement this Pharmacy Technician to be onsite 8 hours per day, 5 days per week, or a total of 40 hours per week.

As detailed in the fully transparent coverage matrix and pricing model below, the addition of the Pharmacy Technician will increase the annual contract price by \$61,495.21. Please see the "3rd Year Renewal Pricing Summary" section below which details the outcome of adding a full-time Pharmacy Technician into our coverage matrix and what that position represents in relation to the 2020-2021 price increase.

Proposed Addition of Pharmacy Technician (Fully Transparent Model)

Please see the "3rd Year Renewal Pricing Summary" section below which details our proposal to add a full-time Pharmacy Technician in the renewal term of 2020-2021 and in the years beyond.

3rd Year Renewal Pricing Summary

Implementing the Consumer Price Index (CPI)- As Detailed Above

\$4,324,654.97 Current Annual Price (non-inclusive of the one-time transition fee) or
\$360,387.91 Monthly Price (Current Price)

+ 3% CPI Increase Equating to \$129,739.65 for the Contract Years 2020-2021

= \$4,454,394.62 Annual Price or \$371,199.55 per Month for the Contract Years 2020-2021

Negating the Annual \$500,00 Aggregate Cap- As Detailed Above

\$4,454,394.62 Annual Price for the Contract Years 2020-2021

- \$500,000 CREDIT TO JEFFERSON COUNTY in negating the \$500,000 Aggregate Cap

= \$3,954,394.62 Annually or \$329,532.89 per Month for the Contract Year 2020-2021

HIV Medication Reconciliation and One-Time Reconciliation Based on the Historical Factors Provided in the County's RFP and Addendum #1 and True Utilization of this Population- As Detailed Above

Due to the inaccuracy in the county's RFP# 17-037/YS and Addendum #1, which is detailed on the section above and this population being significantly higher than the RFP stated, CorrHealth is requesting a one-time reconciliation totaling \$398,424.25.

CorrHealth's Billing the County for HIV Medications and the County Considering HIV Medications as a Factor in Off-site Services- As Detailed Above

\$3,954,394.62 Annual Price for the Contract Year 2020-2021

- \$54,000 CREDIT TO JEFFERSON COUNTY for HIV medications for the Contract Years 2020-2021

= \$3,900,394.62 Annual Price or \$325,032.89 per Month for the Contract Years 2020-2021

Addition of a Full-Time Pharmacy Technician- As Detailed Above

CorrHealth is proposing to implement a Full-Time Pharmacy Technician to be onsite a total of 40 hours per week and if accepted by the county, this Pharmacy Technician will increase the annual contract price by \$61,655.71.

\$3,900,394.62 Annual Price or \$325,032.89 per Month for the Contract Years 2020-2021

+ Addition of a Full-Time Pharmacy Technician Equating to an annual increase of \$61,655.71 for the Contract Years 2020-2021

= **\$3,962,050.33 Annual Price or \$330,170.86 per month for the contract years 2020-2021.**

\$3,962,050.33 annual price or \$330,170.86 per month for CorrHealth's 3rd Year Annual Renewal Proposal for continued partnership to provide quality and professional comprehensive inmate medical, mental/behavioral and community healthcare programs and services in 2020-2021

AND

One-time reconciliation payment totaling \$398,424.25 to reimburse CorrHealth for the inaccuracy in the county's RFP# 17-037/YS and Addendum #1 and this population being significantly higher than the RFP stated.

Respectfully Submitted:
