1. Questions

- a. Question: Section 4.2 Organization of Proposal Contents clearly outlines the format in which proposals are to be submitted, however this format does not provide space for respondents to address items b. and c. of Section 7.5 Proposal Evaluation Criteria, nor does it provide space for a response to the Proposal Submittal Checklist item regarding legal claims. Where in the prescribed Organization of Proposal Contents shall respondents include information to address Section 7.5 items b and c and the legal claims portion of the Proposal Submittal Checklist?

Answer: Item G of section 4.2 states: “Copy of RFP Specifications and any Addenda in their entirety. (Note: All forms should be completed, and any information requested should be inserted/included).” All requested information should be included in this section.

- b. Question: What is the current contracted value of these services?

Answer: See Addendum 1 Attachment B.

- c. Question: Is there a HUB subcontractor goal for this contract? If so, what is it?

Answer: No
