1. Question: I do not see a list of the desired supplies. If there isn't, would you inform me if funding would be available for disposable gloves within this solicitation? If so, please provide any information on type of gloves used, annual usage, or frequency, etc. Not sure if only chemicals are being sought out in this solicitation.

Answer: There is not a list of desired supplies. This Invitation for Bid is just for a discounted rate on your catalog pricing for janitorial supplies. This would include disposable gloves. The type and usage would be determined by the department at time of purchase based on the catalog pricing you submit.
