## 1. Bid Submission

Bids must be submitted in complete original form by mail or messenger to the following address:

Jefferson County Purchasing Department

Beaumont, TX 77701

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

**Bidder shall submit bid in a tightly sealed opaque envelope or box, plainly marked "SEALED BID." The outside of the envelope of box shall also include the Bid Number, Bid Name, Bid Due Date, and the Bidder's Name and Address; and shall be addressed to the Purchasing Agent.**

All bids submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

## 2. Bid Submissions During Time of Inclement Weather, Disaster, or Emergency

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgment call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of bids will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

## 3. Courthouse Security

Bidders are advised that all visitors to the Courthouse must pass through Security. **Bidders planning to hand deliver bids must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal.** Mondays and Tuesdays are particularly heavy days. Bidders are strongly urged to plan accordingly.

## 4. Preparation of Bids

The bid shall be legibly printed in ink or typed.

The County requests that bid submissions NOT be bound by staples or glued spines.

If a unit price or extension already entered is to be altered, it shall be crossed out and initialed in ink by the bidder.

The bid shall be legally signed and shall include the complete address of the bidder.

Jefferson County is exempt from Federal and State Sales Taxes, and such taxes shall not be included in bid prices.

## 5. Signatures

All bids, notifications, claims, and statements must be signed by an individual authorized to bind the bidder. The individual signing certifies, under penalty of perjury, that he or she has the legal authorization to bind the bidder.

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

**8. Emergency/Declared Disaster Requirements**

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's supplier(s). Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

**9. Award**

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected. Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment. In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting

specifications is not awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

#### **10. Contract**

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

#### **11. Waiver of Subrogation**

#### **12. Fiscal Funding**

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

#### **13. Bid Results**

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page (<http://co.jefferson.tx.us/purchasing/main.htm>) as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

#### **14. Changes and Addenda to Bid Documents**

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

#### **15. Specifications**

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid. Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

#### **16. Delivery**

**Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder (in writing on the included Bid Form), prices bid will be considered as being based on F.O.B. destination/delivered freight included.**

#### **17. Interpretation of Bid and/or Contract Documents**

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

**18. Currency**

Prices calculated by the bidder shall be stated in U.S. dollars.

**19. Pricing**

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

- The bidder hereby certifies that the individual signing the bid is an authorized agent for the bidder and has the authority to bind the bidder to the contract.

**22. Definitions**

**1.1 Bids.** All bids must be submitted on the bid form furnished in this package.

**1.2 Authorized Signatures.** The bid must be executed personally by the vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the vendor shall accompany the bid to become a valid bid.

**1.3 Late Bids.** Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

**1.4 Withdrawal of Bids Prior to Bid Opening.** A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

**1.5 Withdrawal of Bids after Bid Opening.** Bidder agrees that its offer may not be withdrawn or cancelled by the vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

**1.6 Bid Amounts.** Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

**1.7 Exceptions and/or Substitutions.** All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

**1.8 Alternates.** The Invitation for Bid and/or specifications may expressly allow bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

**1.9 Descriptions.** Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

**1.10 Bid Alterations.** Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

**1.11 Tax Exempt Status.** Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

**1.12 Quantities.** Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

**1.13 Bid Award.** Award of contract shall be made to the most responsible, responsive bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose

intended. Jefferson County reserves the right to accept or reject in part or in whole any bid submitted, and to waive any technicalities or informalities for the best interest of the County. Jefferson County reserves the right to award based upon individual line items, sections or total bid.

**1.14 Silence of Specifications for Complete Units.** All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

**1.15 Addenda.** Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

**1.16 General Bid Bond/Surety Requirements.** Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

**1.17 General Insurance Requirements.** Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

**1.18 Responsiveness.** A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

**1.19 Responsible Standing of Bidder.** To be considered for award, bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

#### **1.20 Confidential/Proprietary Information**

Additionally, Bidder must include a statement on company letterhead identifying all Bid Submission section(s) and page(s) that have been marked as confidential. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire bid submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire bid submission subject to release under the Texas Public Information Act.

By submitting a bid, Bidder agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Bidder's bid submission or other information submitted by Bidder.

**1.21 Public Bid Opening.** Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

## **2. Performance**

**2.1 Design, Strength, and Quality.** Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

**2.2 Age and Manufacture.** All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

**2.3 Delivery Location.** All deliveries will be made to the address(es) specified on the purchase order during normal working hours of 8:00 a.m. to 4:00 p.m., Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

**2.4 Delivery Schedule.** Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

**2.7 Operating Instructions and Training.** Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

**2.8 Storage.** Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

**2.9 Compliance with Federal, State, County, and Local Laws.** Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

**2.10 OSHA.** The bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

**2.11 Patents and Copyrights.** The successful vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

**2.12 Samples, Demonstrations and Testing.** At Jefferson County's request and direction, bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the bidder/vendor.

**2.13 Acceptability.** All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

**2.14 Maintenance.** Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

**2.15 Material Safety Data Sheets.** Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the bidder to furnish this documentation, will be cause to reject any bid applying thereto.

**2.16 Evaluation.** Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves the right to contact any bidder, at any time, to clarify, verify or requirement information with regard to this bid.

### **3. Purchase Orders and Payment**

**3.1 Purchase Orders.** A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

**3.2 Invoices.** All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

**3.3 Prompt Payment.** In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful bidder(s) is required to pay subcontractors within ten (10) days after the successful bidder receives payment from the County.

**3.4 Funding.** Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

### **4. Contract**

**4.1 Contract Definition.** The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful bidder and Jefferson County.

**4.2 Contract Agreement.** Once a contract is awarded, the unit prices offered by the successful bidder shall remain firm for the term of the contract. Contract shall commence on date of award and, upon agreement between vendor(s) and Jefferson County, may be renewed annually for up to four (4) additional years.

**4.3 Change Order.** No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

**4.4 Price Re-determination.** A price re-determination may be requested at the time of annual renewal. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

**4.5 Termination.** Jefferson County reserves the right to terminate the contract for default if the bidder breached any of the terms therein, including warranties of bidder or if the bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the bidder in default.

**4.6 Conflict of Interest.** Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or subcontractor who does business with the County without disclosure. When conflict of interest is discovered, it shall be grounds for termination of contract.

**4.7 Injuries or Damages Resulting from Negligence.** Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

## **Evaluation**

Lowest bids shall be construed as that which meets the needs of the end user, has demonstrated compliance with the requirements and specifications and is best able to perform the tasks in accordance with the standards contained herein.

## **Confidentiality**

All cases are confidential in nature and the contractor must abide by strict rules with regard to protection of that confidentiality. Such rules include, but are not necessarily limited to, the following. Contractor, contractor's employees, stockholders, officers, partners or any member of the immediate families, **may not**:

For any unauthorized release of information, in violation of the above, the Contractor, and/or Contractor's employees shall be subject to immediate dismissal and termination of this contract at the option of Jefferson County Commissioners' Court. Jefferson County also reserves the right to require dismissal of an employee from service to the County in the event said person is shown to have a criminal and/or unacceptable (to the Jefferson County Commissioners' Court) driving record or has dealt in irregularities concerning any licensing, regulatory agency, history of operation and/or management of a prior business such that the activity was contrary to the public interest.

Jefferson County will expect to have control over the transport vehicle and its attendant from the time of notification of assignment until attendant and vehicle are released by the Justice of the Peace and/or Center Director.

Wastes generated by the contracting service will not be left at the death scene, but collected by the service and removed to an appropriate disposal site. Contractor may discuss disposal of some waste at the Center. Waste items must not be transported so as to be in contact with the corpse.

## **Records**

This section concerns the types and kinds of records involved in this activity, including decedent records (body, property, medical, identification), logs (dispatch, transport, vehicle) and financial accounting. Any forms or reports required by the Center will be completed by the successful bidder's personnel as directed by the Center Director.

### ***Decedent Records***

Decedent records concern pertinent information about the deceased. Following is a description of the types and use of those items.

- Identification Tags, with specific, hand-printed data about the deceased, are signed by the Contractor's employee and are attached to the decedent's toe or index finger.

### ***Transport Records***

Transport Records must be kept by the Contractor and contain, at minimum, the information indicated below as well as any additional data which may be required by Federal, State or Local authorities.

- A Vehicle Service Log must be maintained with the following information:
  - Time notified (date and time service call was received);
  - Name of official authorizing pickup;
  - Destination;

- Names of driver and/or attendant;
  - Time of arrival at death scene;
  - Name of decedent;
  - Nature of death;
  - Medical legal case number assigned;
  - Time departed from death scene;
  - Time transport was made and completed to the Center;
  - Upon arrival, the Contractor will locate appropriate Justice of the Peace and/or law enforcement personnel to obtain signature.
  - Odometer reading from death scene to the Center.
- A Vehicle Dispatch Log must be maintained with the following information:
    - Log number;
    - Date and time call received from the Justice of the Peace;
    - Name of official authorizing pickup;
    - Death scene address;
    - Time vehicle is dispatched;
    - Time of arrival at death scene;
    - Time of departure from death scene
    - Time transport was made and completed to the Center;
    - Upon arrival, the Contractor will locate appropriate Justice of the Peace and/or law enforcement personnel to obtain signature.
    - Medical legal case number assigned.

Legible copies of both the Vehicle Service Log and Vehicle Dispatch Log, signed by appropriate personnel, shall be matched by the same time period covered in each log and submitted with the invoice each month. **The County will not pay from a monthly statement alone.**

In addition, copies of these logs shall be furnished to the Center representative no later than the fourth day of the month immediately following log activities.

Both the logs **must** show each and every call number and medical legal case number along with all the other requested information. Failure to supply all information requested will be cause to withhold and/or deduct payments for lack of verification of service.

### **Invoice**

Morgue Transport billings shall be submitted for services to the Jefferson County Auditor's Office on a monthly basis.

It is important and necessary that invoices contain the following information:

- Medical legal case number;
- Name of Justice of the Peace ordering the call;
- Date of transport;
- Name of decedent;
- Location of death scene;
- Explanation if round trip took in excess of 60 minutes from time of dispatch; and
- Copies of signed Vehicle Service Logs and Vehicle Dispatch Logs.

### **Accounts**

Contractor is expected to have and maintain all normal books of accounts and records normally associated with business operations. These records and accounts, along with all other items already (IFB 18-051/YS), Term Contract for Morgue Transport Service for Jefferson County

mentioned, shall be available for examination, audit, review and copy, without limitation as to number of frequency, by the County Auditor's Office or the Center, for at least five (5) years following the last year of this agreement including each renewal year.

The audit, review, etc., of all Contractor's Records/Accounts extends to the records of affiliated companies, partners, individuals, etc., whose business transactions affect the financial status of the Contractor. In the event the County Auditor's Office or the Center needs reasonable embellishments to Contractor's records and/or accounts for the purpose of facilitating this agreement, the Contractor shall implement those embellishments within a thirty (30) day period or provide legitimate reasons as to why those changes may not be made. If the outcome cannot be mutually agreed to, the County may consider such options as may be necessary to obtain services elsewhere including termination of this agreement.

There should be justification for audits outside the routine or scheduled ones. Should any questions develop regarding abusive procedures or conflicts, an independent auditor shall assess the situation and forward the report or outcome to all parties involved. This cost will be incurred by the County.

### **Response Time**

Contractor response time, from the moment of dispatch to arrival at the death scene, will be the **major** component, though not the only one, in determination, by the Justice of the Peace, of adequate performance by the Contractor. That will determine whether or not the agreement is kept or canceled or renewed for additional terms. It is, therefore, imperative that the Contractor be thoroughly cognizant of requirements surrounding response time and that response time is strictly adhered to as described in this specification.

Contractor must arrive at the designated location within sixty (60) minutes of the time the Justice of the Peace orders the service, via any relevant communication device, at any time, twenty-four (24) hours a day. Contractor shall dispatch a service vehicle immediately and said vehicle must be en route within fifteen (15) minutes of notification from the Justice of the Peace. Under regular traffic and weather conditions, it is expected that the Contractor will **arrive** at the death scene in forty-five (45) minutes or less, not to exceed sixty (60) minutes total from point to point.

It is the Contractor's responsibility to notify a Justice of the Peace, other medical personnel at a death scene, and/or the lead law enforcement officer upon arrival; the individual notified will record the Contractor's time of arrival. If a dispute develops regarding the calculation of the response time, time recorded by the aforementioned person(s) will be the determining factor.

### **Procedural Synopsis**

For purposes of establishing both an outline and a guide for prospective service providers, the following process is to be used by the Contractor. It must be understood at the outset, that the County Commissioners' Court will recognize, i.e., pay for, **ONLY those services provided at the request of the Justice of the Peace**. If the Contractor answers a dispatch call from **any** law enforcement agency, emergency medical and/or hospital, the County will not accept charges for the transport, even if the body is ultimately delivered by the Contractor to the Center **unless so ordered by the Justice of the Peace**.

- The Justice of the Peace will contact the Contractor, by any appropriate means, to request service, and will note to whom the request was given, along with the date and time. If there are any special requirements, handling instructions and/or directions associated with the request, that information shall be supplied with the call. An estimated time of arrival at the death scene by the Contractor may be requested.
- The Contractor shall dispatch an appropriately fitted and manned vehicle to the address supplied along with any special instructions, as applicable.
- Upon arrival, the Contractor will locate appropriate Justice of the Peace and/or law enforcement

personnel to obtain signature. Contractor may **not** enter on/into a death scene until clearance is received from the Justice of the Peace and/or law enforcement personnel.

- Contractor personnel must wear disposable gloves, and may also be required to wear protective outer garments.
- Extreme caution must be exercised by Contractor to avoid disturbing any evidence on the scene. At the scene, each body will be appropriately tagged with the following printed information: decedent name (if known), race, sex, age, address of pickup location, date and time picked up, and Contractor's signature. A medical legal case number will be assigned upon arrival at the Center.
- It is preferred that Contractor remains on site only as long as may be necessary to handle their business.
- Once a body, etc., has been tagged, documented and released, Contractor shall load the decedent and proceed to the Center unless legitimately advised to proceed to some other location.
- Any damage or injury to the body and/or evidence and/or the personal effects items, resulting from some aspect of the transportation process, must be reported to the Center as soon as possible.
- A Center representative shall approve, and be present for, undressing of the body and subsequent search for personal effects.

### **Multiple Transports**

Rules surrounding the concept of multiple transports will be strictly followed. Contractor should assume that no more than one body may be transported in the same vehicle at the same time. This is intended to cover both the pickup of multiple bodies at a single location **or** the sequential pickup of single bodies from more than one location. In addition, Contractor may **not** transport any Justice of the Peace case within the same vehicle as a non-Justice of the Peace case at the same time.

If a Justice of the Peace is satisfied that extenuating circumstances require the transport of multiple bodies in a single vehicle on a single trip, they must specifically approve that action for the Contractor and the Contractor must note this approval, by name, in both the Transport and Vehicle Logs.

### **Payment**

**Contractor will be paid on a single rate/per body basis only, including the unlikely event of multiple corpse transport in a single trip. Based on the single rate, the following rules shall apply:**

**Contractor will be paid at the base rate for:**

- **All transports from the Center;**
- **Any call where a transport trip is in process, but aborted by the Center.**

In times of Disaster and/or Emergency, the Contractor may be called upon to pick up decedent(s) from locations outside Jefferson County. Contractor shall not apply any special fees or charges for pickups from other locations during times of Disaster and/or Emergency.

In times of Disaster and/or Emergency only, the Contractor shall be reimbursed for mileage to and from location of decedent pickup. Mileage reimbursement rate will be based on current IRS mileage rates. Current mileage rates may be obtained from the IRS website: <http://www.irs.gov/>

**Penalty**

A penalty will be assessed by the Justice of the Peace for any transport determined to be beyond the accepted response time of sixty (60) minutes with no re-notification of delay to the Justice of the Peace with an estimated time of arrival. The application of the penalty shall result in deduction of the base rate cost.

**Transport Charge**

The County will allow for transport service to stay on site, under order of the Justice of the Peace, for one and a half (1½) hours. If the transport service is required by the Justice of the Peace to stay at the scene for longer than one and a half (1½) hours, transport charges will be pro rated.
