## **Professional Engineering and Architectural Services for Tropical Storm Imelda Repairs for Ben J. Rogers Visitors Center**

---

### **Section 1. Introduction and Purpose:**

Jefferson County is requesting statements of qualifications and experience from all interested professional engineers and architects desiring to provide professional consultant services for the County as the need for these services arise. The range of services to provide will be broad and will involve master planning, scope development, architectural and engineering design, site inspection, and construction management. This RFQ will be utilized to engage a firm for Tropical Storm Imelda Repairs for Ben J. Rogers Visitors Center services as need arises.

Work provided by the firms under this RFQ will be negotiated. A contract will be signed for individual projects, depending on the type of project and cost of the work.

### **Section 2. Procedure**

Firms are encouraged to submit statements of qualifications and experience to be kept on file in the Jefferson County Purchasing Department. For a given project, the responsible Jefferson County department head will appoint a selection committee, which will evaluate responses and select, in order of preference, a short list of at least three firms. Responses will be ranked on the basis of demonstrated experience, competence, and qualifications. Fees, price, work hours, or any other cost information will not be considered in the development of the short list.

Jefferson County will then enter into negotiations with the highest qualified firm. The negotiations will first establish the scope, terms and conditions, and time limits for the proposed contract. Once agreement is reached between Jefferson County and the selected firm, the County will request a fee proposal from the firm. If agreement is reached, the County will retain the firm and enter into a written contract with it. If an agreement cannot be negotiated with the selected firm, the County will then enter into negotiations with the next most qualified firm. This procedure will continue until agreement is reached and a contract is produced. If the County cannot negotiate an agreement, the procedure will be terminated.

### **Section 3. Selection Committee**

Because of the diversity of the departments and activities of the County, the responsible Jefferson County department head for this project will appoint the selection committee for a given project. The department head will appoint a chairperson and no less than two (2) other members for the committee. Typically, the committee will consist of at least one professional in the task required, a person knowledgeable about procurement practices, and either a representative of the department requesting the project, or the department executing the project. However, this structure is not binding. Other members may be appointed as necessary and appropriate, but the total number of persons on the selection committee shall not exceed four (4) persons. Committee appointments shall be in writing and shall briefly describe the scope of the project and, if necessary, the primary disciplines required to accomplish the project, in order to assist the committee in developing a list of firms that might best accomplish the work required. Committee membership and project requirements will vary from project to project; therefore, a firm rated number one for one project could very well not even be rated for another.

### **6. Awarded Vendor(s): Submission of FORM 1295 (Texas Ethics Commission)**

In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), unless contract is considered exempt as described below.

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

FORM 1295 Exemptions: What type of contracts are exempt from the Form 1295 filing requirement under the amended law? The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and o any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

Upon entering into a contract or professional agreement, the Jefferson County Purchasing Department will submit a request to the Vendor to both:

**1. Submit a FORM 1295 online via the Texas Ethics Commission website link below.**

Vendors must enter the required information on Form 1295, and print a copy of the completed form. The form will include a certification of filing that will contain a unique certification number.

**2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department.**

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm)

**7. Minority-Women Business Enterprise Participation**

It is the desire of Jefferson County to increase the participation of Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.
