Political Subdivision shall be responsible for all substantive and procedural legal issues governing the conduct of their election. Political Subdivision understands and agrees that Contracting Officer provides no legal advice to Political Subdivision.

(c) Adopt the county voting precincts for this election. Political Subdivision shall adopt the early voting locations used by the county which reside in the Political Subdivision jurisdictional boundaries with the stipulation to add additional locations and adopt all early voting dates, and times recommended by the Contracting Officer in accordance with the Texas Election Code. Political Subdivision shall adopt the Election Day precinct polling locations on the attached Exhibit B for each county voting precinct that is within its jurisdictional boundaries. Political Subdivision shall confirm the accuracy of its jurisdictional boundaries and precincts.

(d) Prepare, post and publish all required election notices for Political Subdivision except for the joint election notice and the public test notice that Contracting Officer shall publish. In addition, if this election's polling locations are different than Political Subdivision's previous election, Political Subdivision shall post notice at the entrance to any previous polling places in its jurisdiction stating that the location has changed and provide the polling location and address for those voters for this election, pursuant to Texas Election Code Section 43.062, unless County has posted the change for their election. Educate the voters in Political Subdivision as much as possible on early voting times and places and Election Day polling locations.

(e) Political Subdivision shall confirm with Tax-Assessor/Voter Registrar its boundaries, county voting precincts and street details within those boundaries. Any discrepancies in billing should be addressed immediately.

4. **COST OF SERVICES.** Political Subdivision shall share some expenses for the above services, supplies and equipment. Only the actual expenses directly attributable to this Agreement and any prorated shared expenses may be charged to Political Subdivision, plus a 10% administrative fee.

#### 5. **GENERAL CONDITIONS.**

(a) The parties agree that the timing is critical on all duties in this Agreement. Lack of adherence to any deadline in the Timetable without prior agreement of Contracting Officer may result in cancellation of Contracting Officer's duties and obligations to conduct Political Subdivision's election under this Agreement or, at the discretion of Contracting Officer, a late penalty surcharge in an amount not to exceed 10% of the final election cost. Adherence to the Timetable is critical because of Jefferson County's obligation to complete all programming and testing and to process, print and mail military and overseas ballots by state/federal deadlines and our duty to conduct federal, state, county elections and/or other contracted elections.

(b) In accordance with Section 31.098 of the Texas Election Code, Contracting Officer is authorized to contract with third persons for election services and supplies and is authorized to hire necessary temporary personnel to perform contracted duties. Part-time personnel will be compensated at the hourly rate set by Jefferson County.

(c) Political Subdivision acknowledges that electronic voting equipment is highly technical and it is conceivable that, despite the best effort of the parties and technical assistance, it might fail during the election. Contracting Officer will do whatever is possible to remedy the situation, but Political Subdivision agrees that should such equipment fail, it will not make any claim for damages of any kind.

(d) Any qualified voter in the Joint Election may vote early by personal appearance at any of the joint early voting locations or at any Vote Center/Polling Location on Election Day.

(e) Jefferson County Elections Department may contract with numerous political entities for the Joint Election, and the parties agree that all ballot styles will be programmed into one electronic voting system. Each voter will receive one ballot which contains all races and issues in the Joint Election for which the voter is eligible at the address and in the precinct in which the voter is currently registered. One joint voter sign in process consisting of a common list of registered voters and common signature rosters shall be used in precincts in which the county polling locations are used.

(f) The Contracting Officer shall file copies of this Agreement with the Auditor and Treasurer of Jefferson County not later than the 10<sup>th</sup> day from receipt of the fully executed contract by Contracting Officer.

(g) Jefferson County is self-insured for personal liability issues. Should Political Subdivision desire insurance for injuries during this election or other liabilities, they shall make such arrangements separate from this Agreement.

(h) In the event that the performance by Contracting Officer of any of its obligations hereunder shall be interrupted or delayed by any occurrence not occasioned by its own conduct, whether such occurrence be an act of God or the result of war, riot, civil commotion, sovereign conduct, or the act or condition of any persons

not a party thereof, then it shall be excused from such performance for such period of time as is reasonably necessary after such occurrence to remedy the effects thereof.

(i) The parties to this Agreement agree that Political Subdivision may cancel this Agreement in the event that it has no need to conduct an election by August 25, 2015. If Political Subdivision's election is cancelled after deadline, a \$200 contract preparation and processing fee will be due in addition to any costs incurred by Contracting Officer on behalf of Political Subdivision prior to said cancellation.

(j) The Political Subdivision has the option of extending the terms of this Agreement through its runoff election, if applicable. Political Subdivision may reduce the number of the adopted early voting locations and/or Election Day voting locations in which precincts are not involved in a runoff election. In the event of a runoff which Political Subdivision wants Contracting Officer to conduct, Political Subdivision agrees to attempt to coordinate the date with other entities participating in this Joint Election. If Political Subdivision elects to have Contracting Officer conduct a runoff election, the cost will be determined by the number of entities participating and the actual costs plus administrative fees. Political Subdivision will be responsible for all orders, notices, and publications required for their runoff except the publication of the public logic and accuracy test which Contracting Officer will publish.

## **6 DISPUTE RESOLUTION PROCEDURE**

The parties agree to use dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Agreement. Either party must give written notice to the other party of a claim for breach of this Agreement not later than the 180<sup>th</sup> day after the date of the event, giving rise to the claim. By their execution of their Agreement, the parties acknowledge and knowingly and voluntarily agree that neither the execution of this Agreement; nor the conduct, act or inaction by any person in the execution, administration, or performance of this Agreement constitutes or is intended to constitute a waiver of the party's immunity from suit with respect to claims of third parties.

## **7 ENTIRE AGREEMENT/AMENDMENT**

This Agreement constitutes the entire agreement between the City of Port Arthur and Jefferson County. This Agreement may be amended only in writing and signed by the parties.
