Hamshire, TX

**We are going to start trying something new starting this week! We will start going to the above location on the 2nd and 3rd Thursday's of the month from 2-4pm. On the 1st, 4th, and 5th Thursday's of the month we will be at the First Baptist Church of Hamshire from 2-4pm as we were previously! We are hoping that splitting these locations will provide more healthcare access and visibility to all residents of Hamshire! Also, please note that the new location is right down the road from the other location so not too much of a change!
